**The Buccaneer Staff dedicates the 1975 Buccaneer to Mrs. Francis Knight. As the days slip by we, the seniors, begin to realize that we may never pass her way again but we will always remember her in our fondest memories. When we leave we will be taking a part of Mainland and a part of her with us because she is always there to give us a helping hand.**

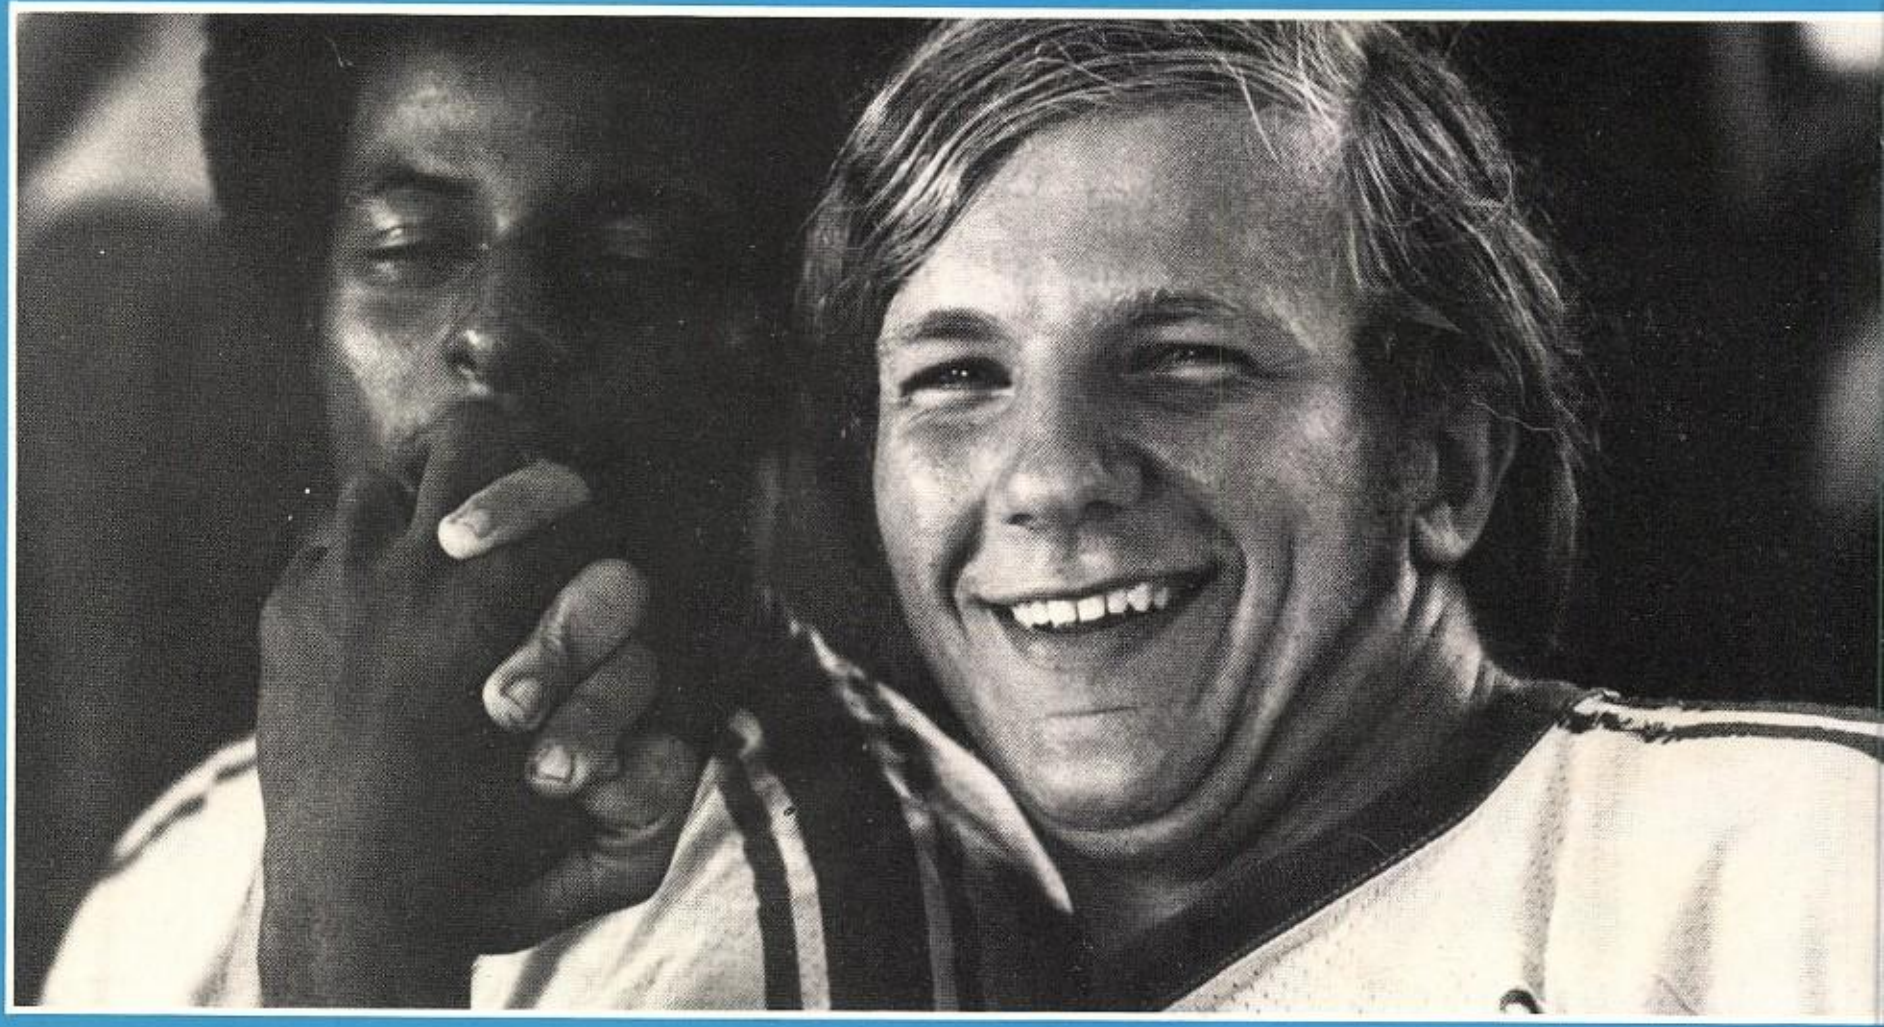
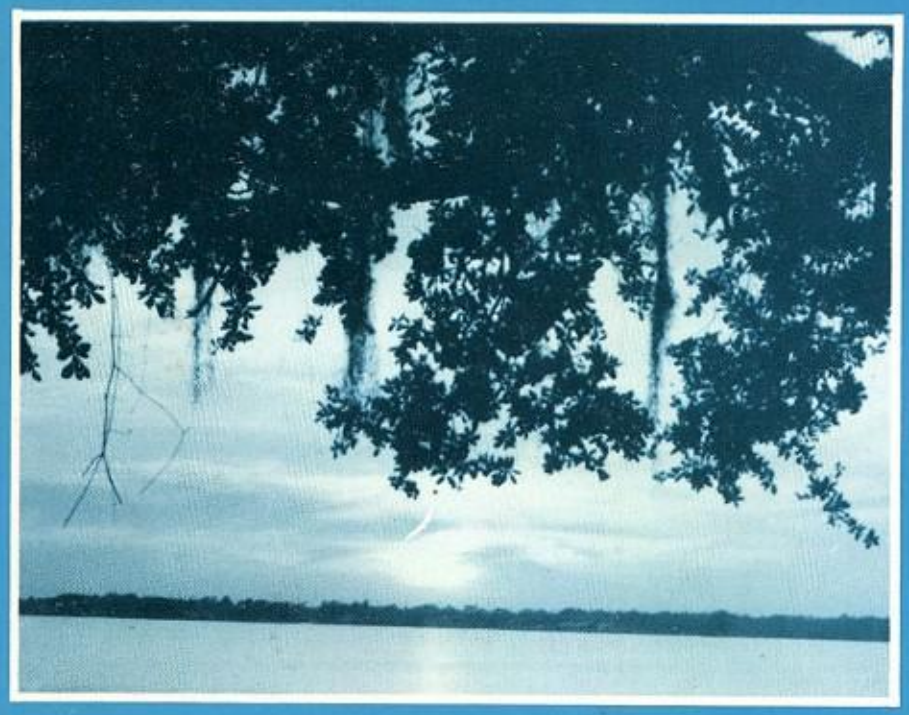
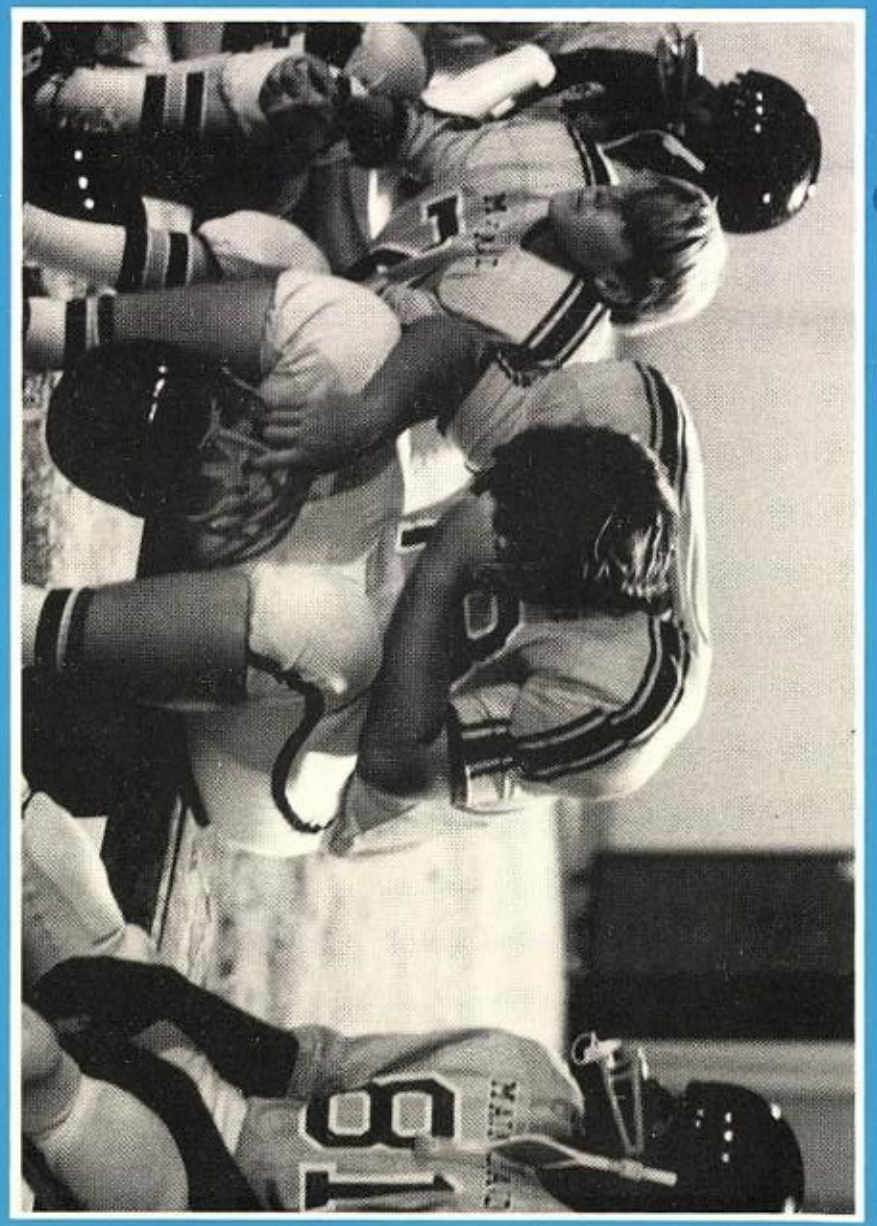
Life — so they say
Is but a game . . .
Love — like the autumn sun
Should be dying but it's only just begun







John,

Well how's it goin? I really enjoyed having you in Algebra you help add to the atmosphere. Why don't ya stay out of trouble and be good so I'll see you next year!

Love ya!

Tammy

John,
another years over, yah!
Have a good summer.

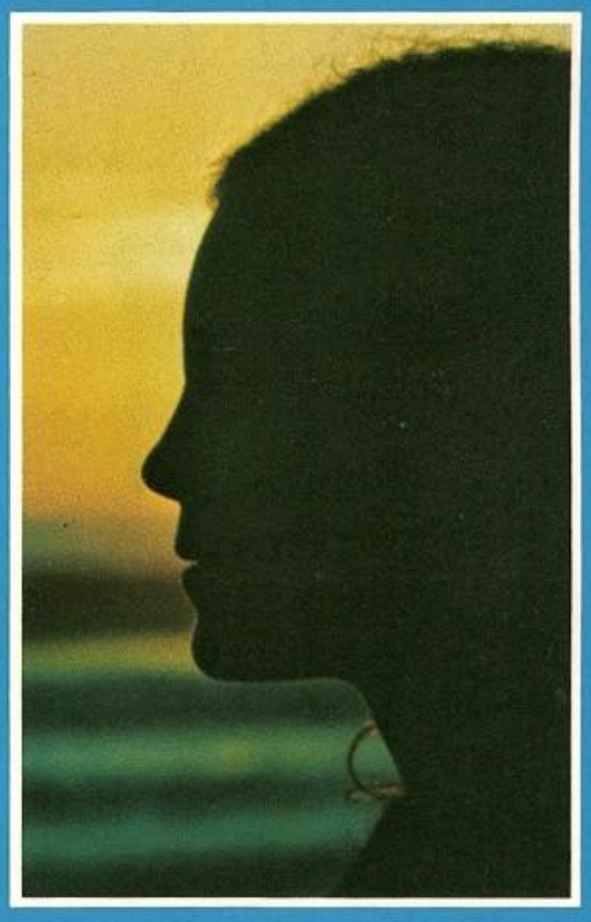
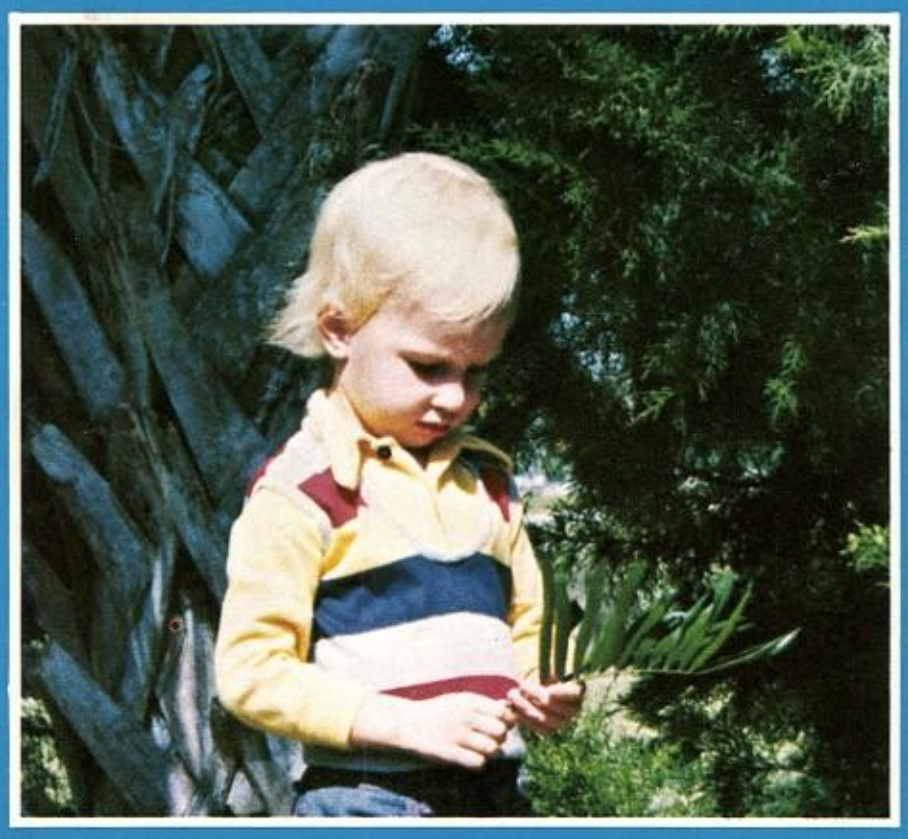
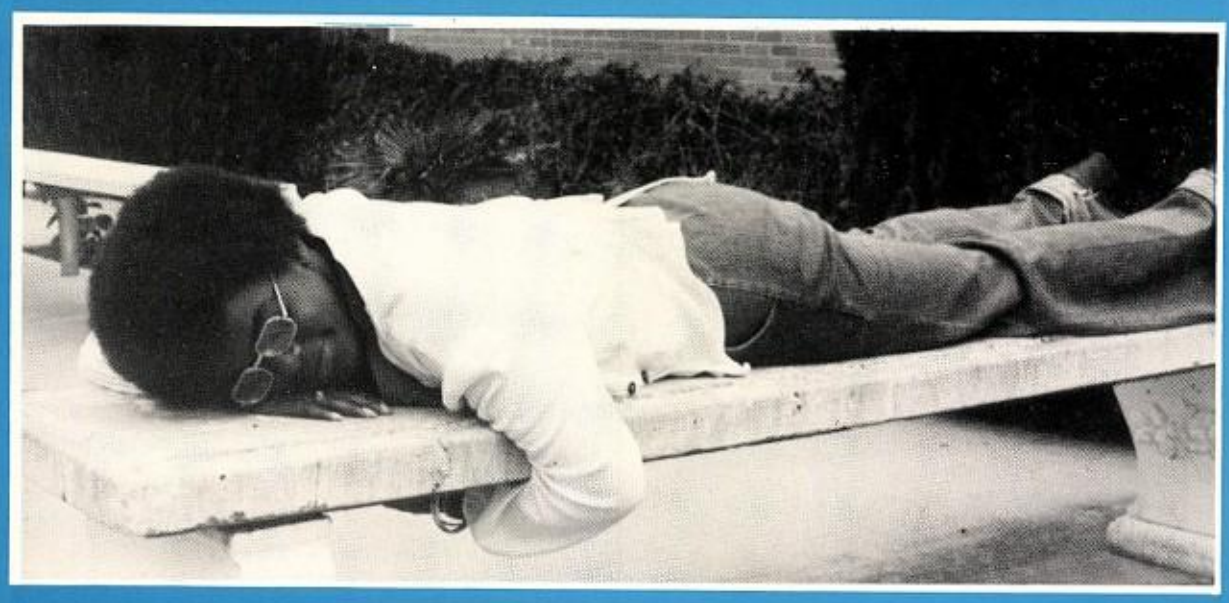
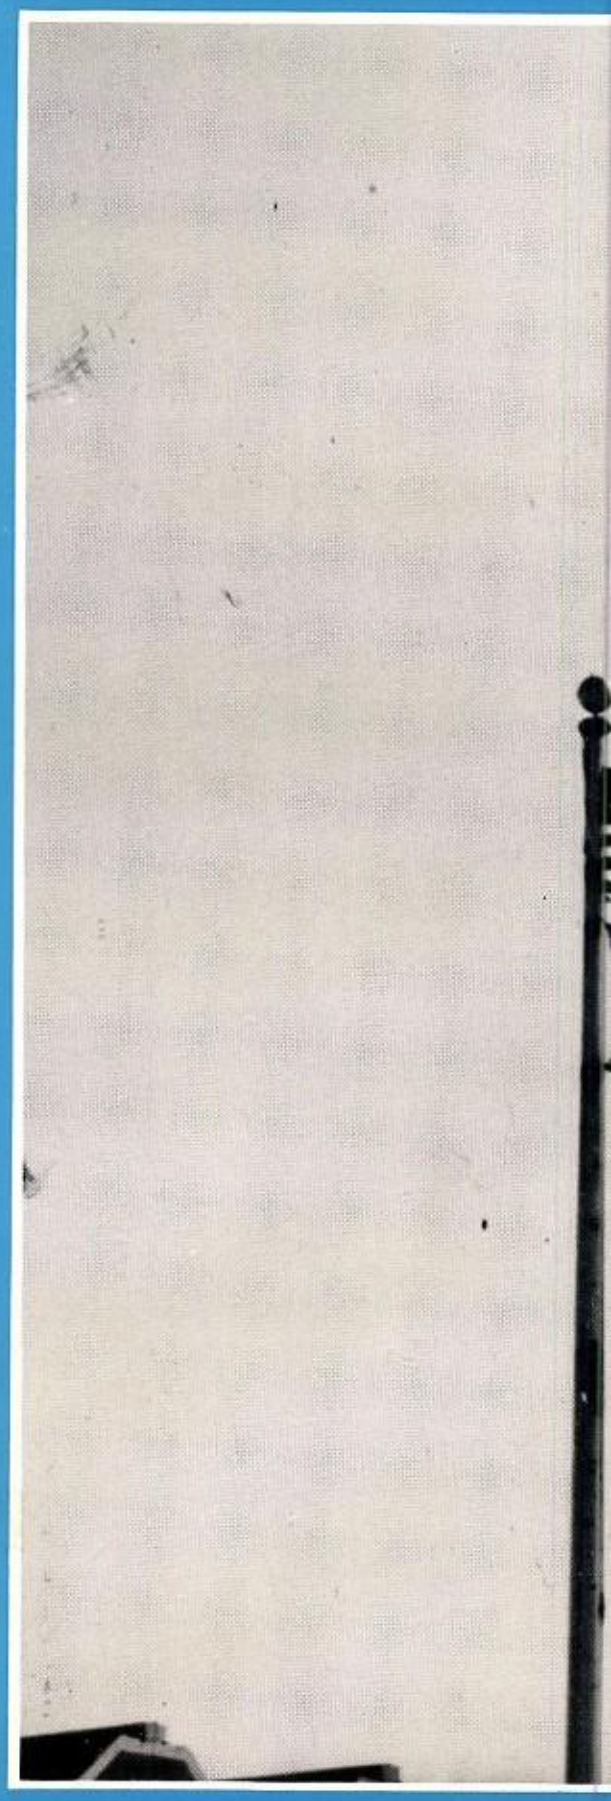
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go



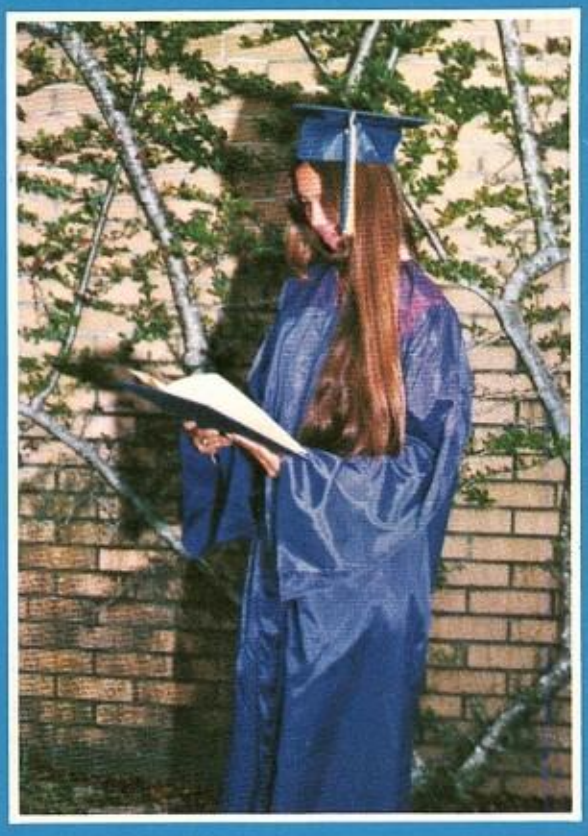


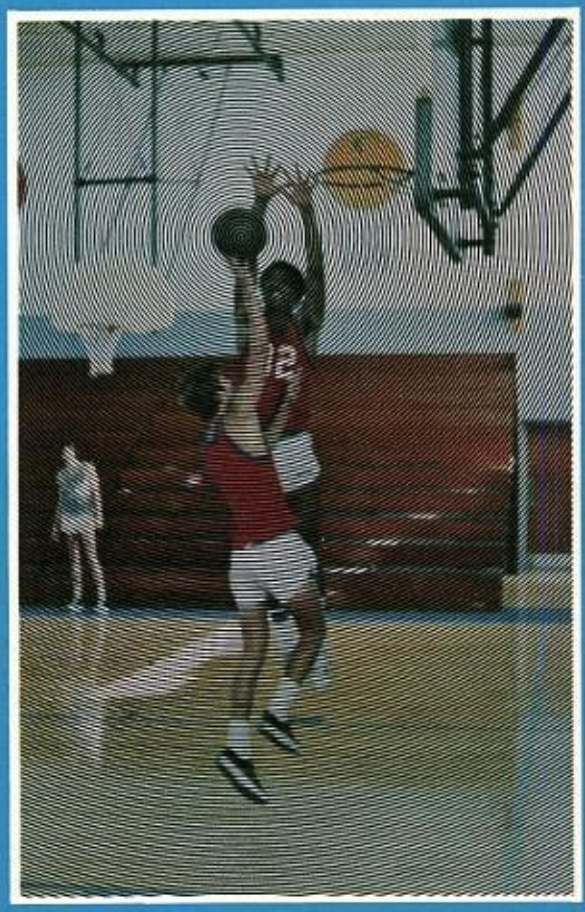
Dreams — so they say
Are for fools and we let them drift away
Peace — like the silent dove
Should be flyin' but it's only just begun





Like Columbus in the olden days
We must gather all our courage
Sail our ships out on the open sea
Cast away our fears and all the years will come and go





John,
We see just
one more year
left. We have
known each other
for the past 4 years
in Campbell and it's
been wonderful
Hope

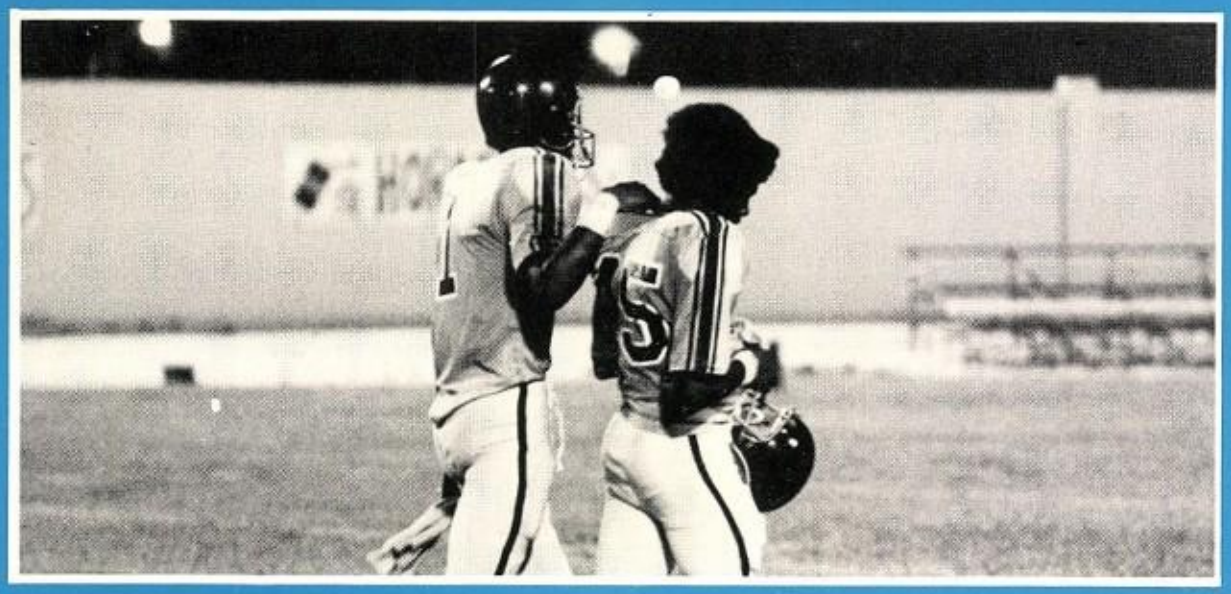
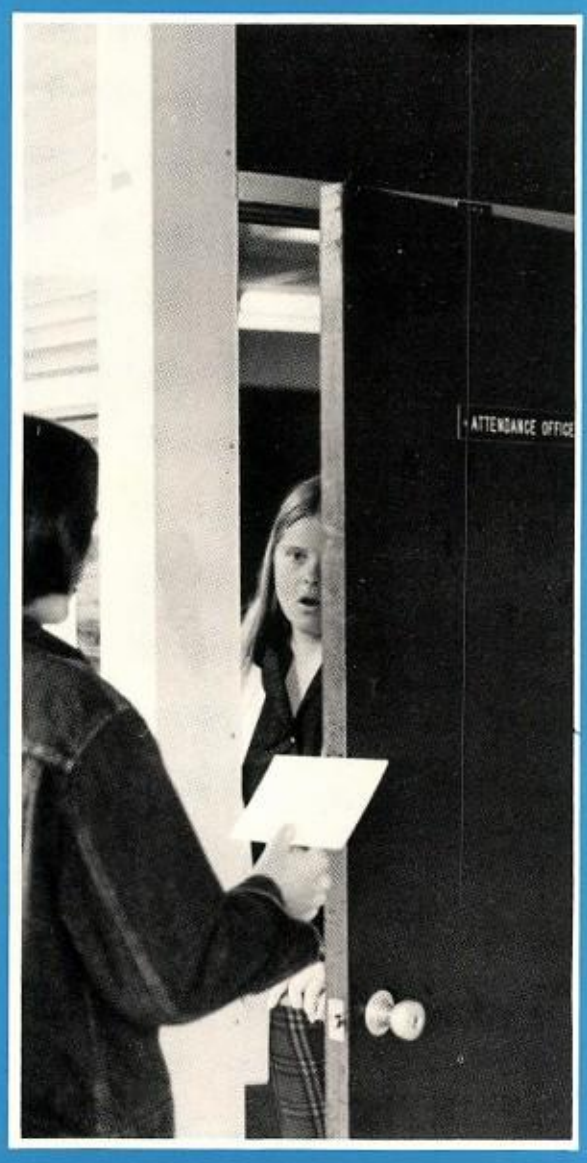
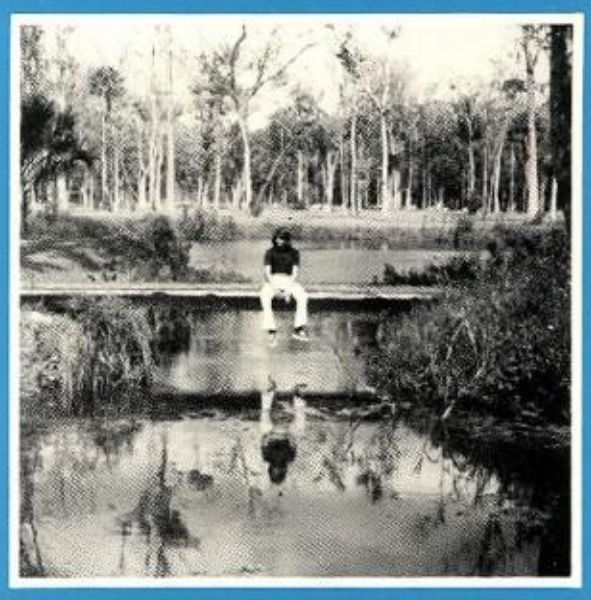
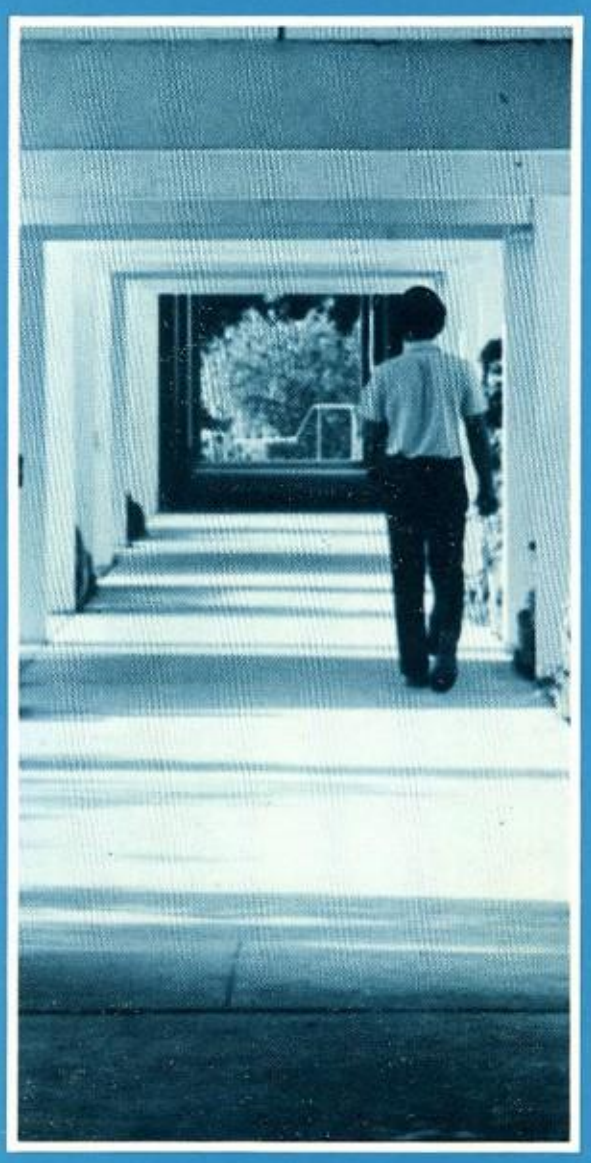
So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again . . .









Cause you make me feel like I'm more than a friend.
Like I'm the journey and you're the journey's end
I may never pass this way . . .

Dear Jahny,
You're a great friend
I never planned to
meet but I planned to
Your really a sweet & caring
Don't worry about 20 your
not calling me, I'm hardly
weekend anyway. I'm usually
working & I hope you have a
great Dr. day! Don't forget
me, cause I'll be great
Take Care & Remember you
God Bless You.

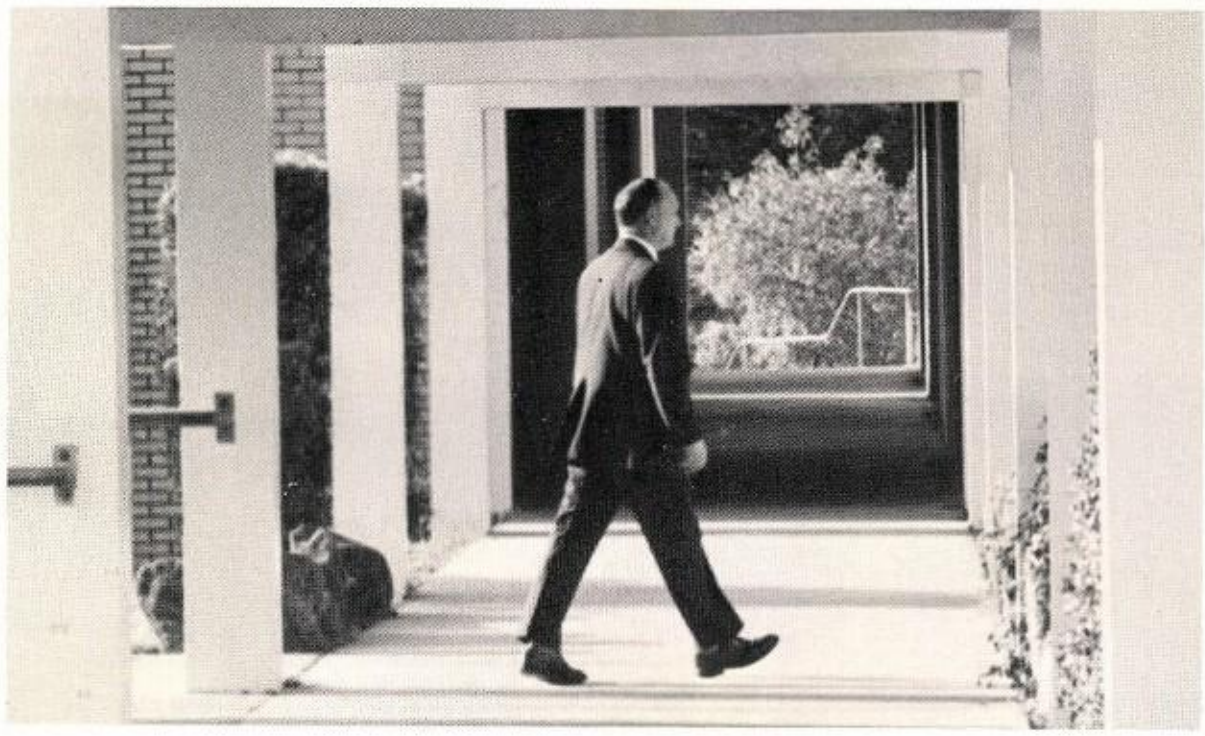
The Principal's office is furnished as you would expect to find that of an executive: polished desk, comfortable arm chair, carpeting, paneling, drapes, stereo, flowers, pushbutton telephone. But in relation to what our principal does in the course of a regular school day, his office is more decorative than useful. Jack Surrette is a "man on the go." Where are you likely to find him? Perhaps you will find him in the lunchroom, in the library or in the guidance suite helping to solve student problems. You may see him in the corridors supervising, discussing maintenance problems with one of the custodians or in the registrar's office looking for information that will help graduates and former students. He might be visiting classrooms or conferring with the Curriculum Department about course offerings and interdisciplinary planning or attending a conference in Orlando. You will find him where the "happenings" are — on the football practice field, the baseball diamond, or at a night basketball game boosting the team. Yes, all of this and more. He comes early and stays late and his office serves only as a "point of departure." Mr. Surrette is FOR Mainland 101% of the day.



As you can see Mr. Surrette is always on the go.

The theme for the 1975 Buccaneer "We May Never Pass This Way Again" is an excellent message to our senior class. Even though there are heartaches and disappointments in the life of high school students, Mainland Senior High School strives diligently to create happiness and unity among our school family.

The Class of 1975 has been superior in attitude, pride and sincerity toward one another. This class will go down in history as the largest graduating class, the most involved in school activities and with a tremendous variety of exceptional talent.

These seniors will earn more than one half million dollars in scholarship funds through activity, athletic and academic accomplishments. To this class belongs the musical and dramatical talent that has brought numerous Broadway Productions and a superior marching band.

May the theme of this yearbook "We May Never Pass This Way Again" inspire each of you to remember and appreciate your Alma Mater and to look back in retrospect to the finest days of your life. When you graduate and depart into the many facets of life in our great country, we hope you will remember Mainland Senior as your school and help us continue our proud heritage of so many years.

Sincerely yours,

Jack E. Surrette

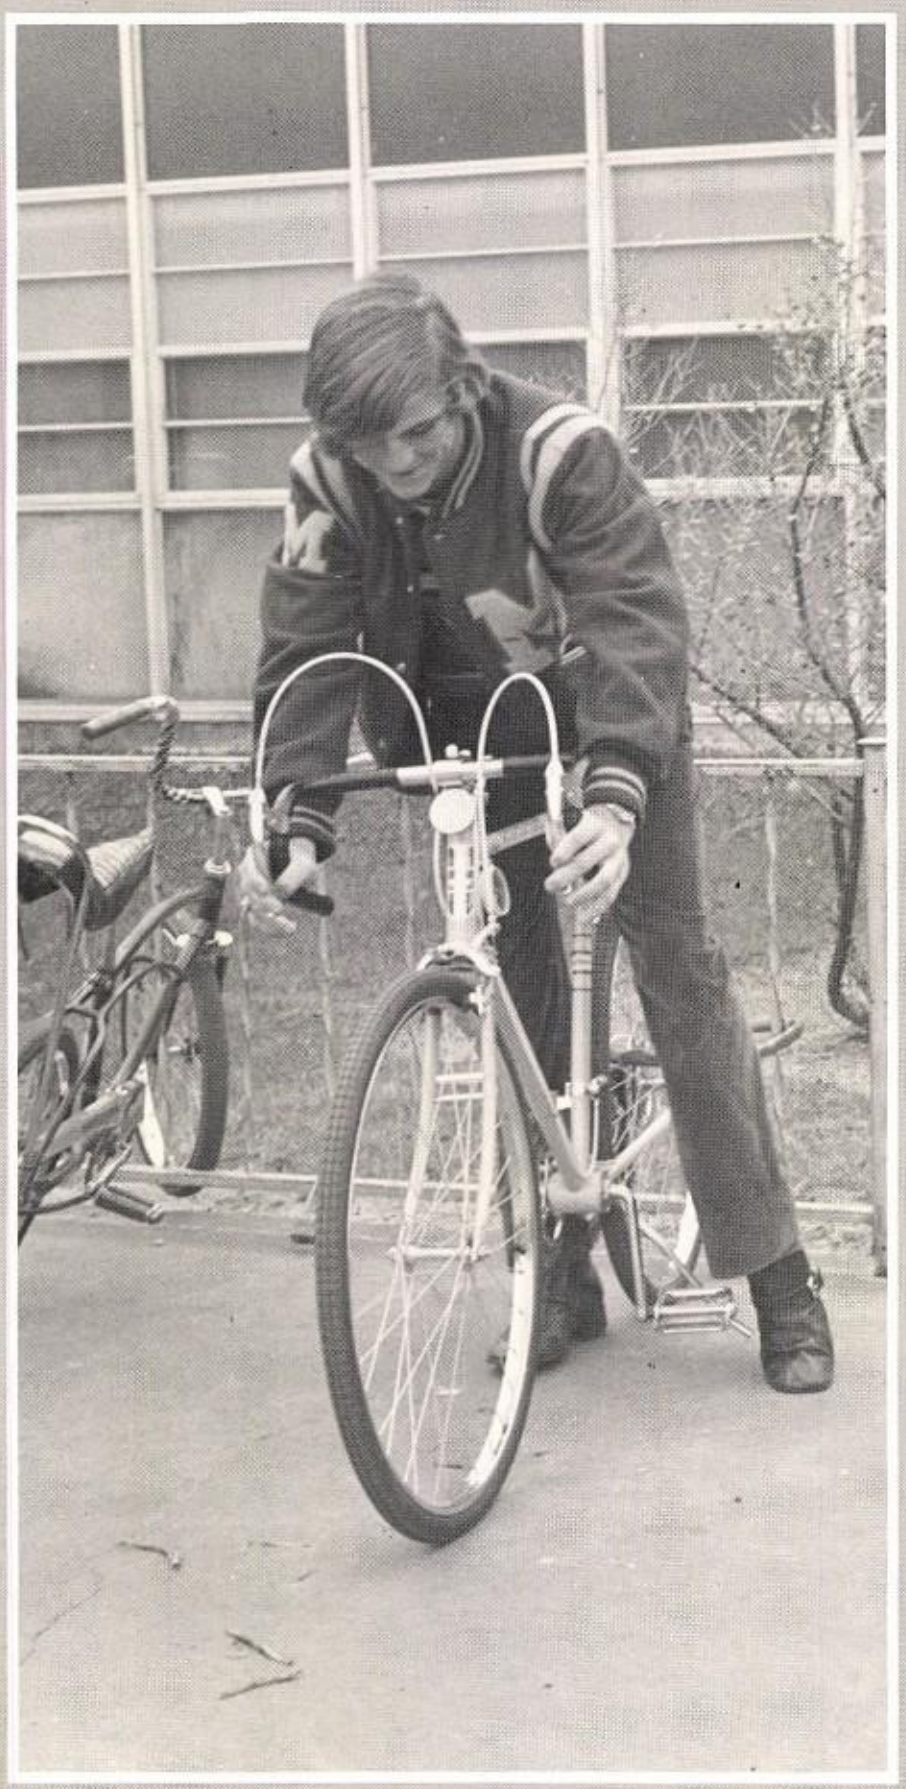
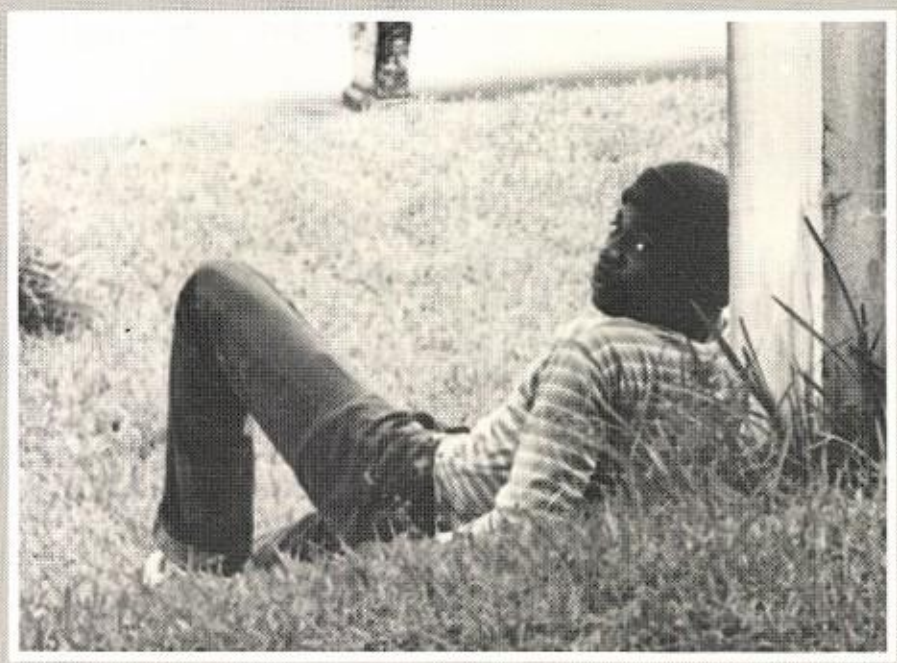
# Seniors





The time has come: Our friends are leaving
But soon they'll be replaced
By happy thoughts and memories
Which we never can erase.

In a way it's our childhood ending —
So new and permanent it seems.
For now it's time to go and live
All of our childhood dreams.

As you turn to go my friend,
Don't hide your falling tears.
For it's hard to replace a school we've known
For three long learning years.

The world awaits us with open arms.
Our future — only time will tell.
It's a hard world, but a good one.
I wish you a fond farewell.

For now we're on our own,
And we may never pass this way again
But the happy thoughts and memories we hold
Will remain with us throughout life.

Ah, the accomplishments of the Class of '75! The beautification of the Senior Area was a successful project. Begging rose bushes, spilling paint, and pulling all those weeds is something to get credit for. Senior Class Homecoming float won second place. A lot of hard work went into its construction, which many dedicated Seniors deserved credit for. After a successful "Anti-Seabreeze" campaign, we beat them 14 to 12. There are many happy memories we Seniors won't forget. The prom, club tappings, getting out of class for annual pictures, and watching our band show up all the others at football games are just some of the "once in a lifetime" events that we will always remember. Yes, the Class of '75 made the most of their year, and as always they live life to the fullest. LIVE ON, '75!

# Nostalgia 1900's

The theme of Homecoming was "Nostalgia 1900's." The theme seemed very appropriate as this is a year in which the memories of Mainland for many people leave them with a smile and a laugh for they may never pass Mainland's way again.

Homecoming consists of many things — preparation, pep rally, dance, parade and of course the big game. This year we played Flager-Palm Coast. At the game April Hughes and James Brown were crowned Homecoming King and Queen. After Mainland came out of the game with a win it made Homecoming 1975 the best in Mainland's history.

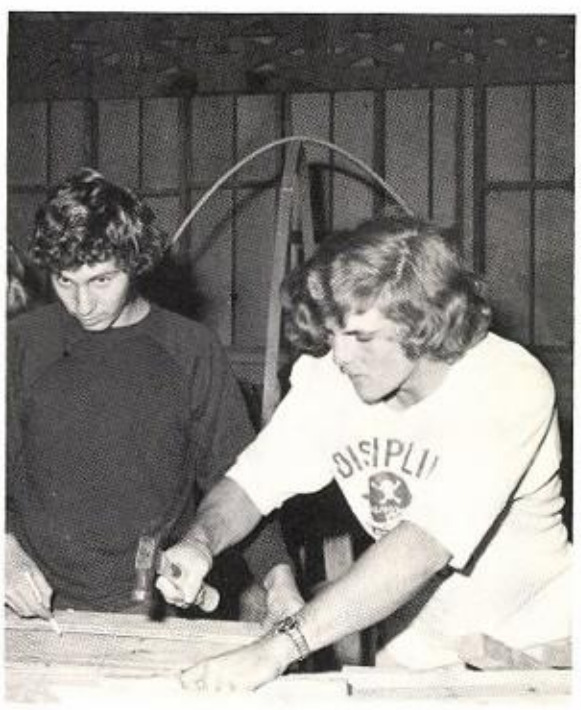
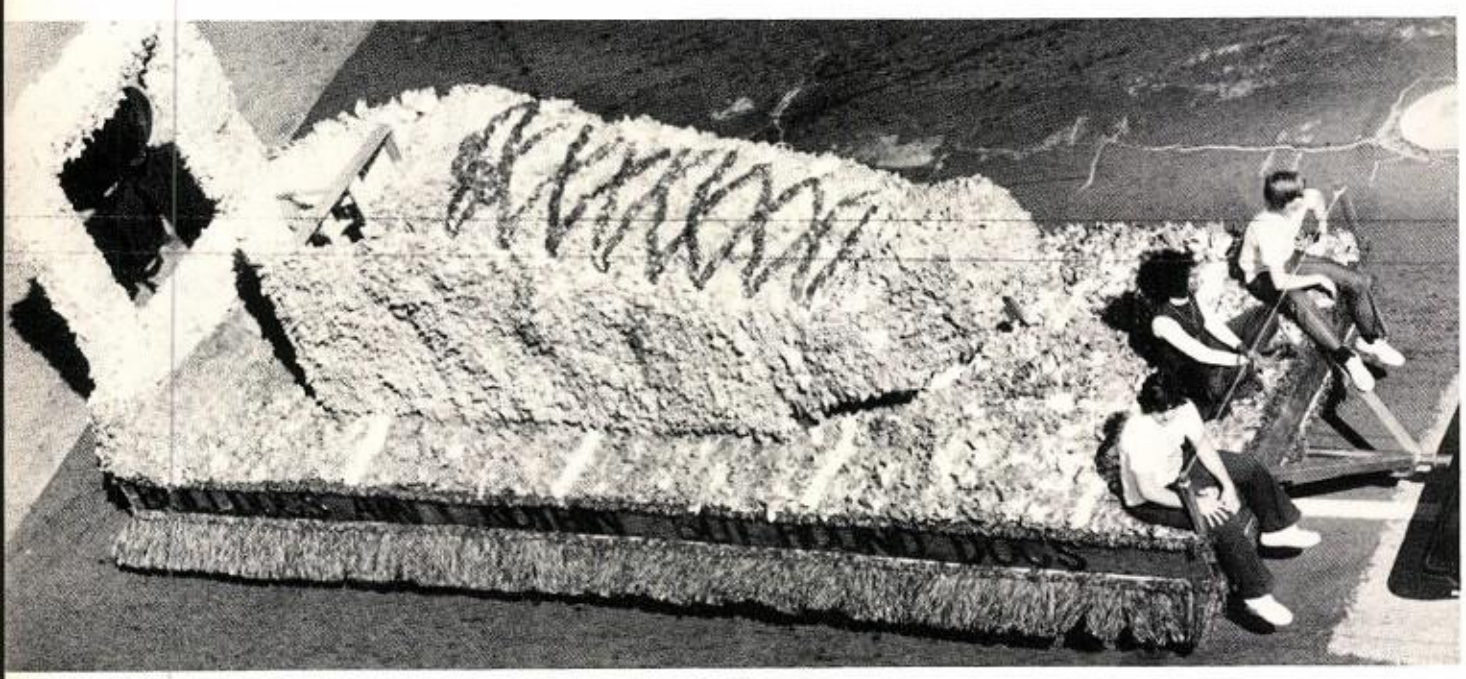
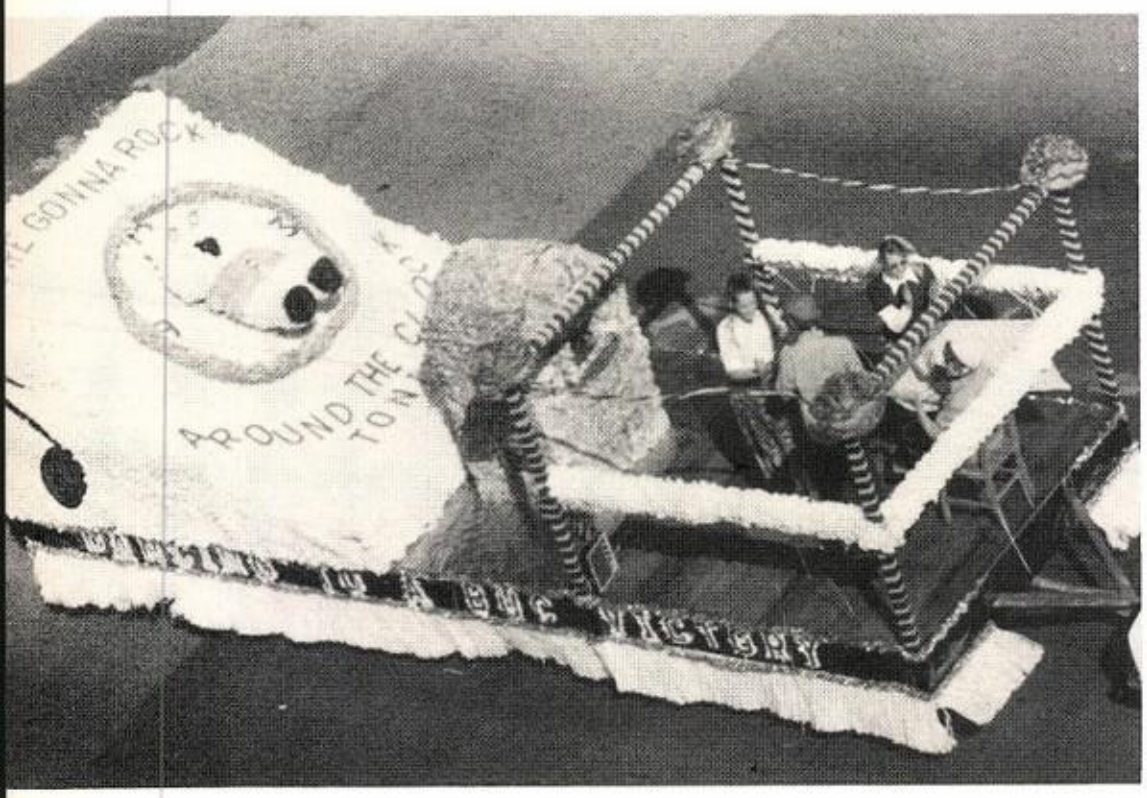
# Preparation

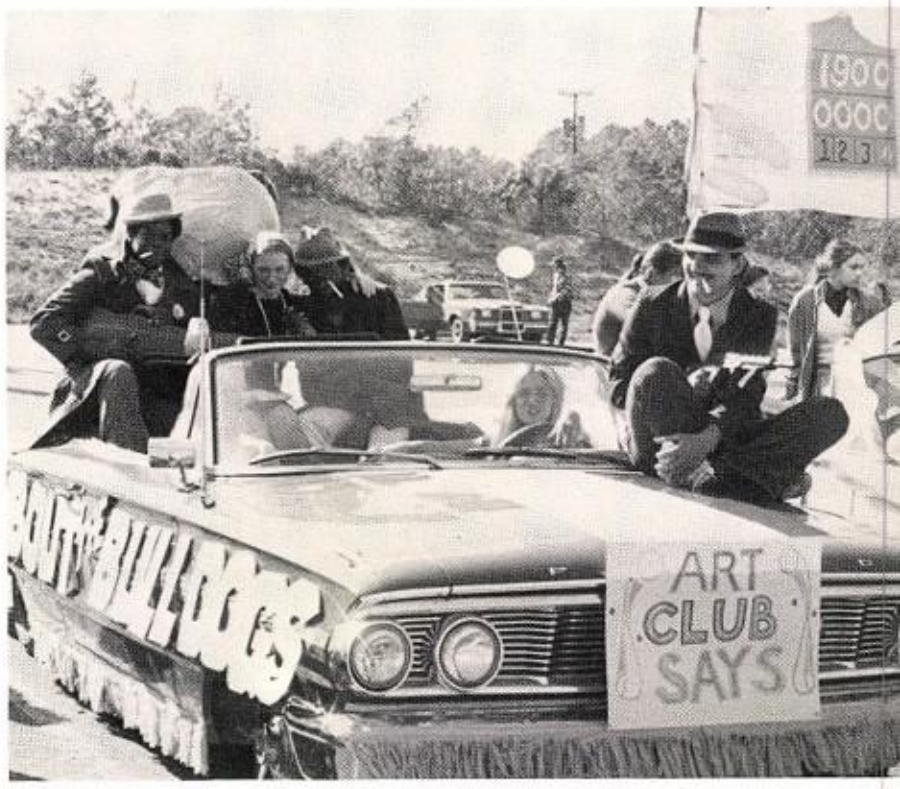


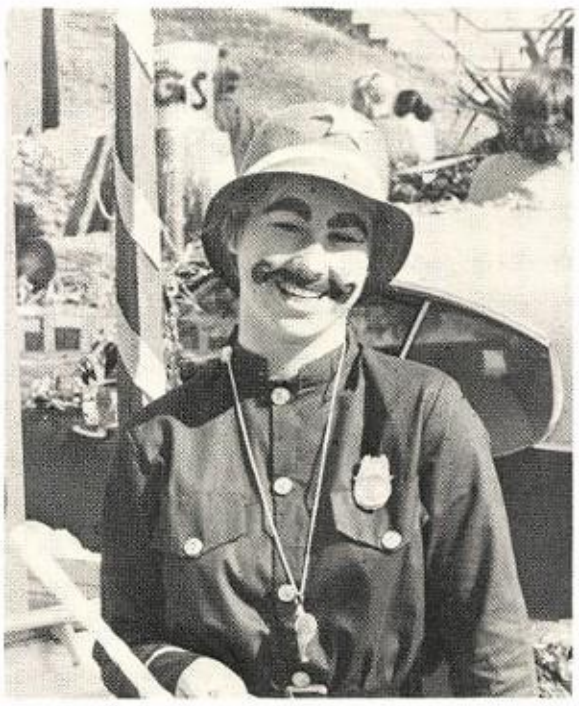
Getting ready for Homecoming was fun as well as lots of worries. Buying, pasting, nailing, crying, re-nailing, laughing, and yelling all were part of our Homecoming. An exciting and most memorable event — HOMECOMING 1975.

# *Parade*









We didn't have a long time to work on floats, but with all the frantic rushing and frustration we produced very original and artistic floats.

This year the parade lineup was lengthened by the Marching Band of BCC, the Holly Hill Junior High and Campbell Bands. The weather was perfect as was the parade. In the end, ROTC had won first place in the float division, SENIOR CLASS second place, SOPHOMORE CLASS third place, ANCHOR CLUB honorable mention. HONOR SOCIETY won first in the car category. All the floats were built around the theme of "Nostalgia 1900's."

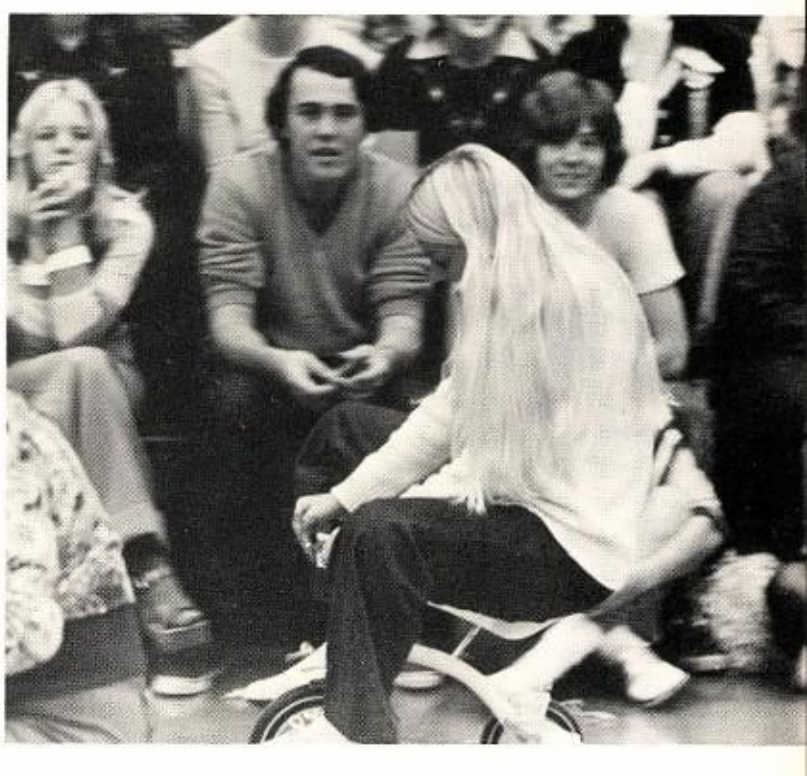
# Pep Rally



The evening before the big game, the student body gathered in the gym to give spirit and determination to the Mighty BUCS. As the cheering got louder the BUC PRIDE shone through each player and student. The bike race thrilled each and every person as the top student, Greg Hill, out raced the top teacher, Mr. Ridgdill. Everyone was filled with a great sense of pride and left the gym with the knowledge that a victory was to be shared by all!

# *Dance*

This was a year of unforgettable events! The Homecoming Dance was held in our gym. The entertainment was provided by "Destin" and "Fusion." Decorations were supplied by the S.G.A., which made the gym look totally different. The dance took weeks of preparation and worry for one night of success.

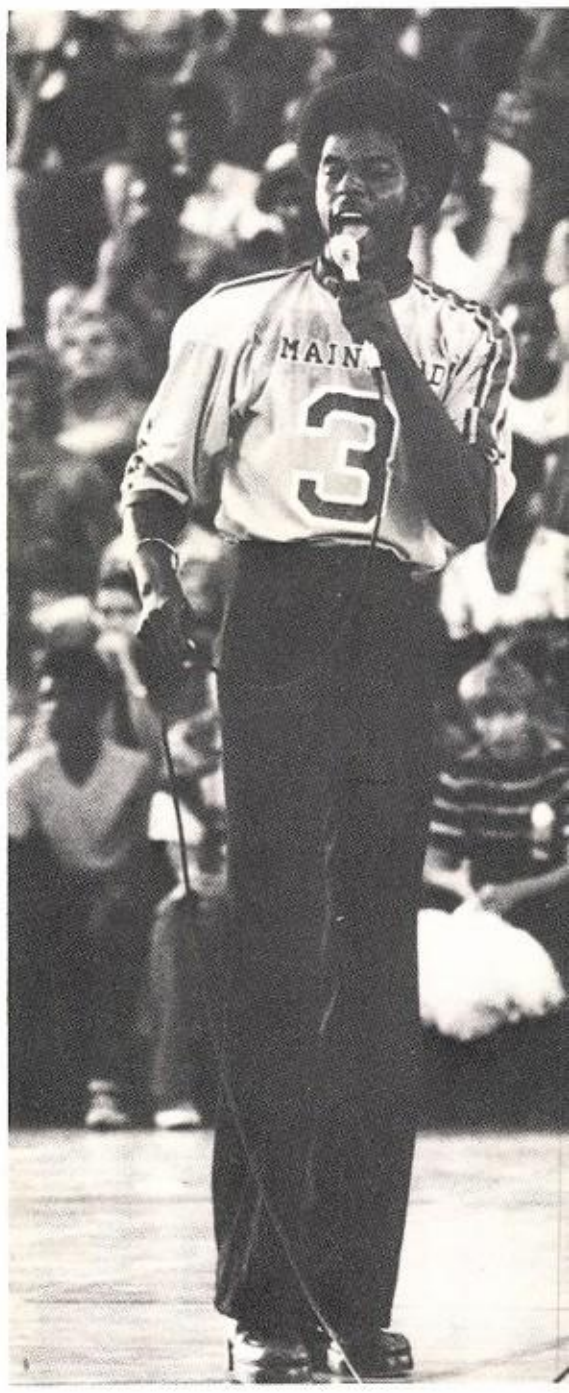
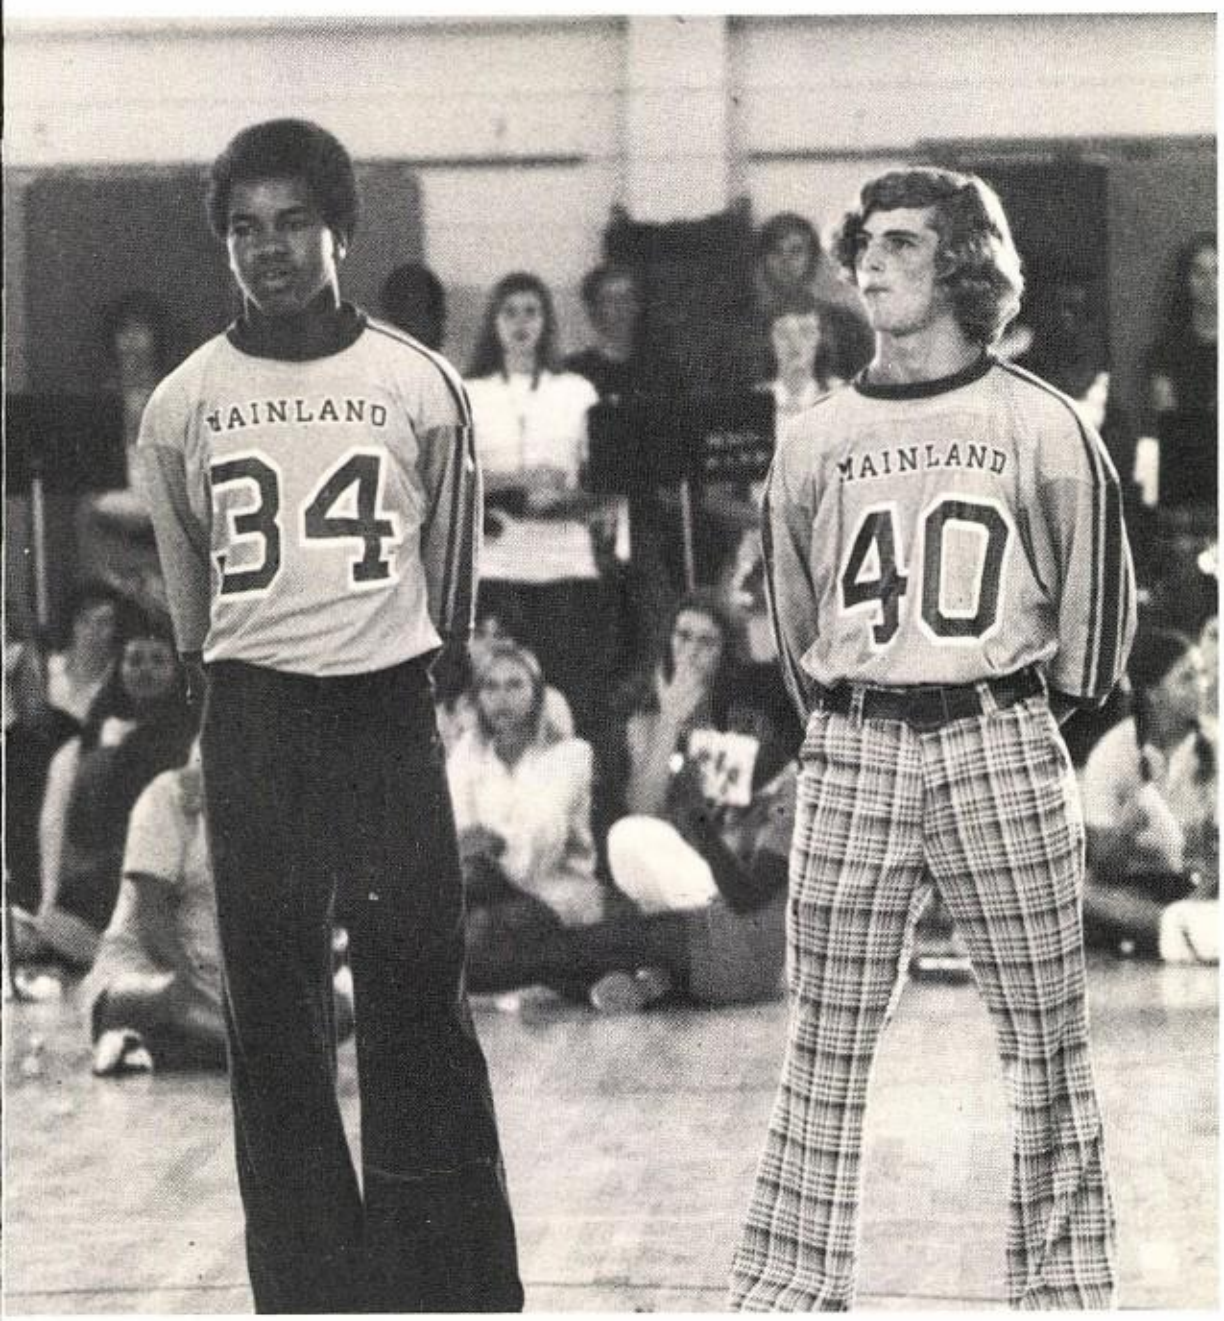
ONE — TWO, THREE, FOUR, FIVE . . . Mainland Bucs don't take no jive!

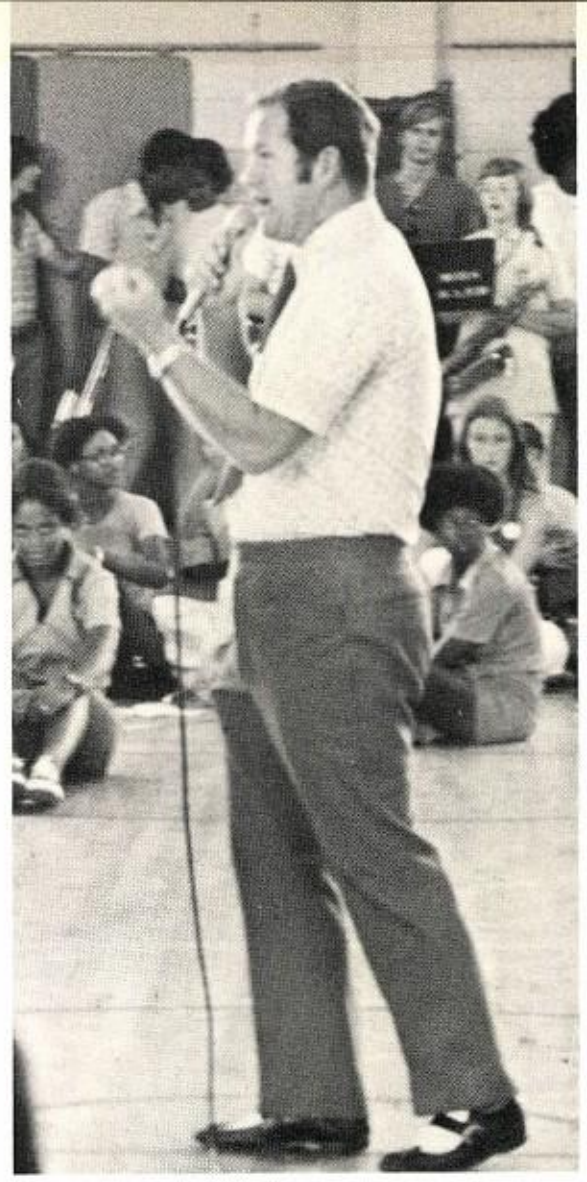
We're NUMBER ONE!



I never could say good-bye!

# *Mainland Pep Rallies*





Knock 'em down, roll 'em in the mud — all we want is their blood!

Gee — We never thought of that!

Smiling faces tell it all!

A symbol this year of our brotherhood, unification and school spirit came through our pep rallies.

If ever Mainland met to conquer a rival, the student body stood behind them with the yelling, screaming and faith that Mainland pep rallies are famous for.

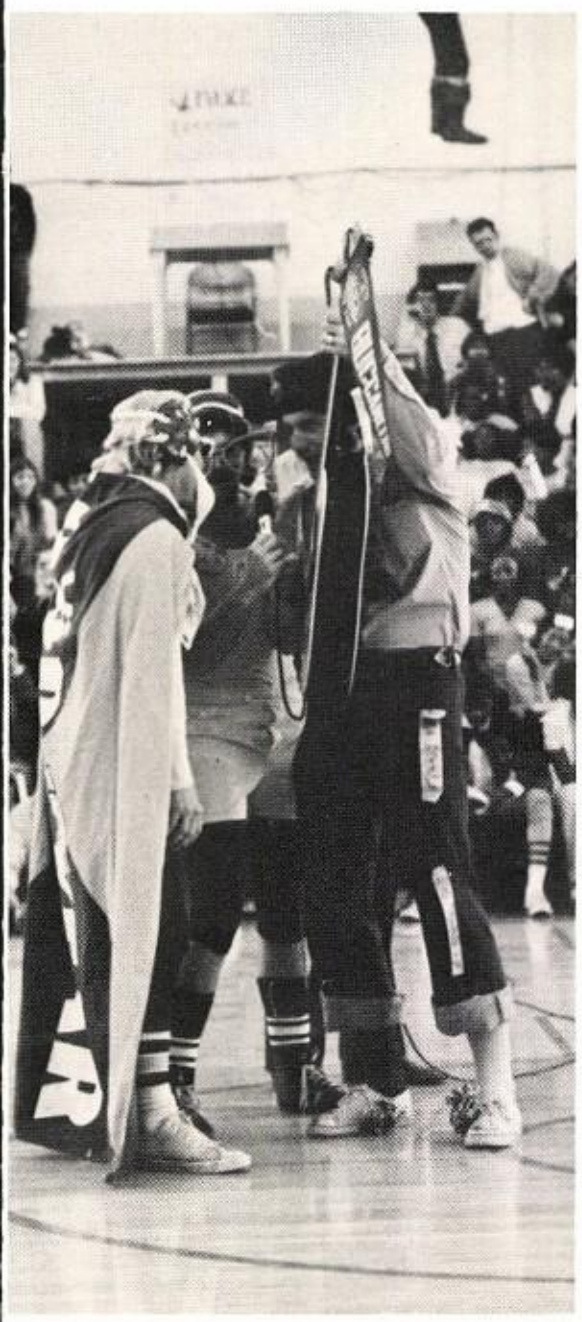
As always, when people pass by Mainland, the cry, "BUCS ARE #1" is heard roaring from the student body — a tradition that will always be carried out.

Just taking care of business.

Now what do I do?

It's hard for a true Buc to defend a washed up Crab.

You've got to be kidding — how did that Crab get in here alive?



Our singing will knock the Crabs back across the river.

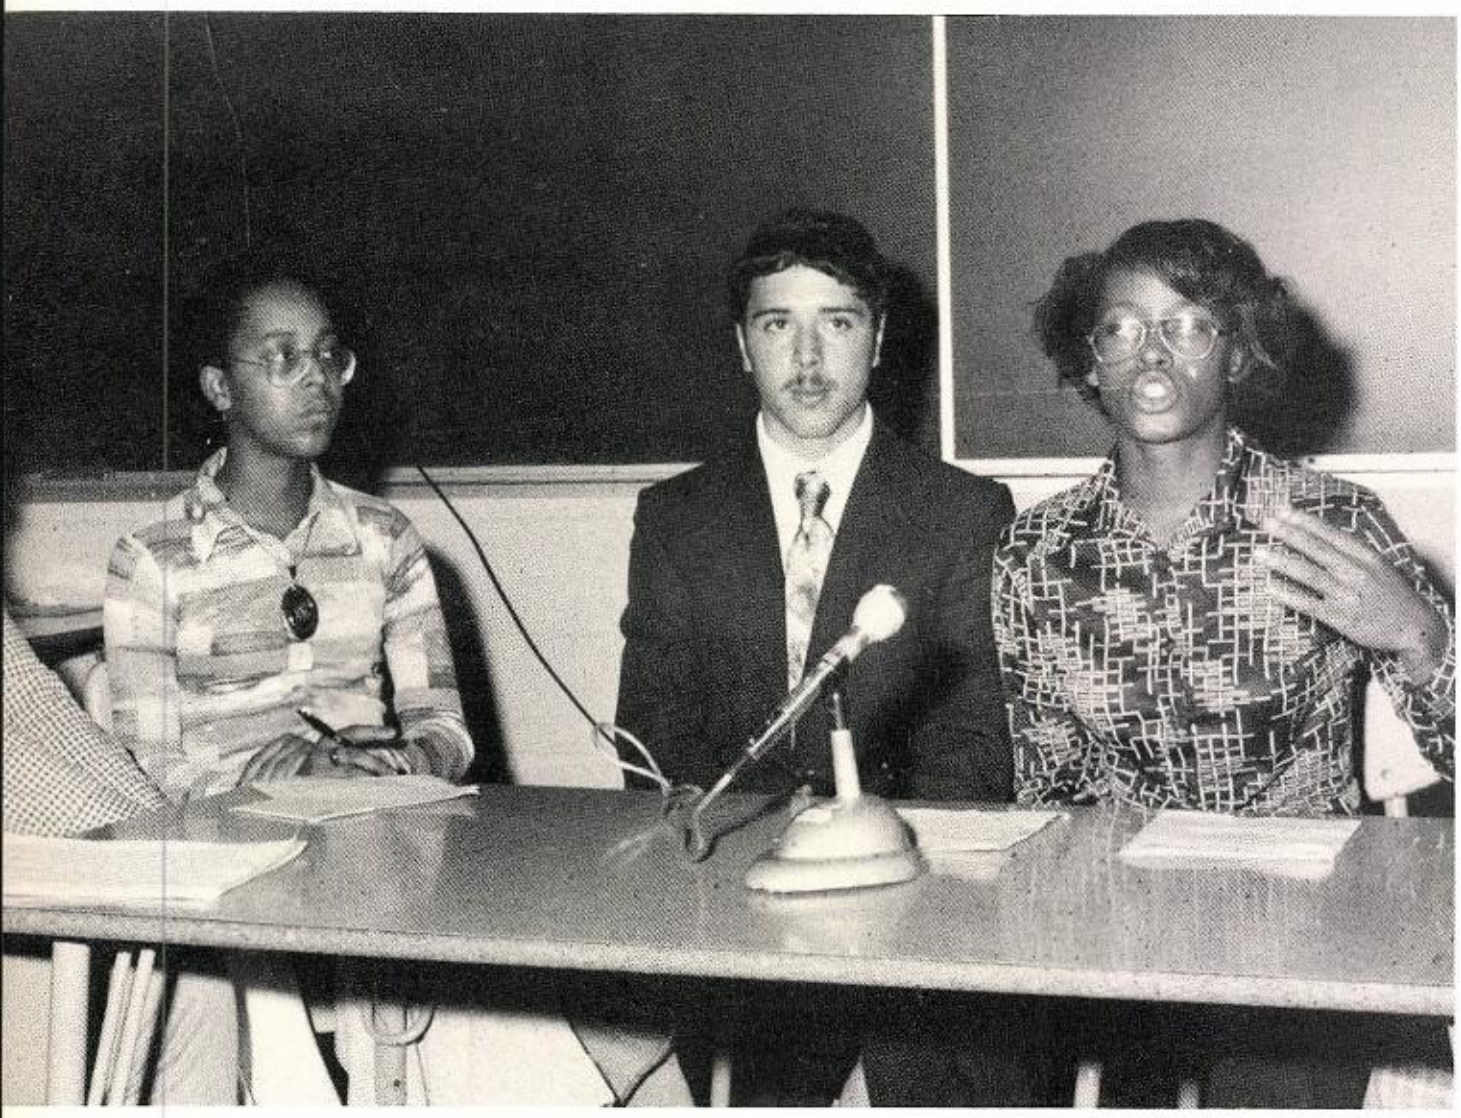
Here comes the judge!

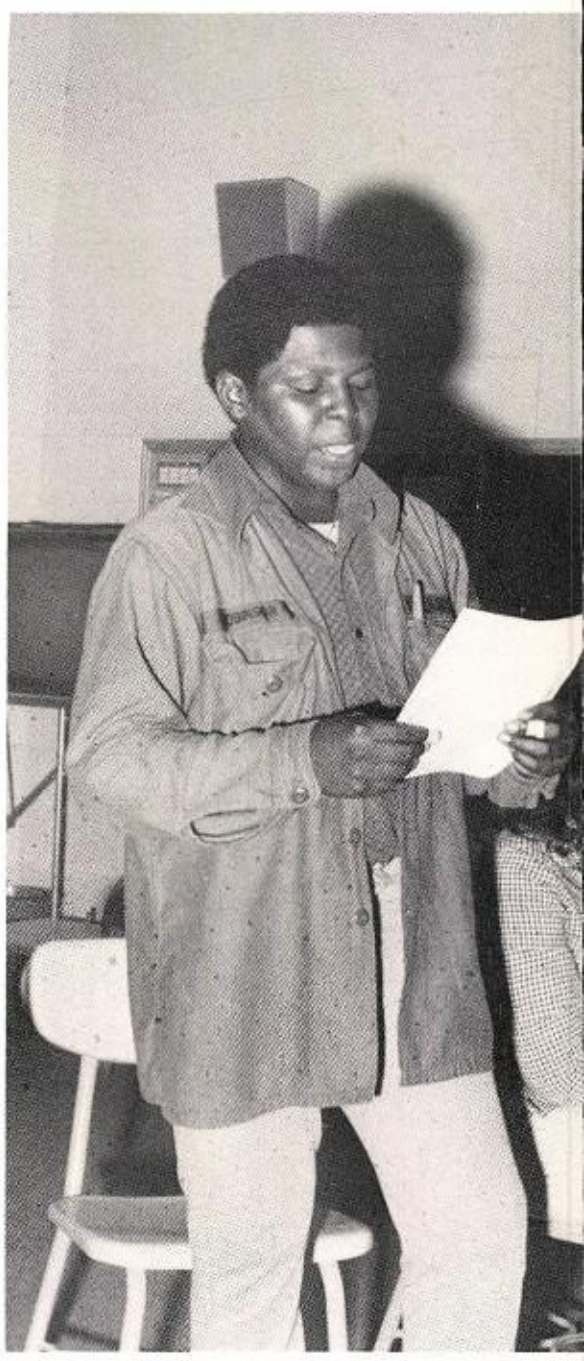
# Beat Seabreeze Week

The laughter, the tears, the nerve-racking moments we went through will never be forgotten. BEAT SEABREEZE WEEK is one of the memories that will always be with us. The preparation included decorating the classrooms, pep rallies, the game, and the seething rivalry. And BEAT SEABREEZE, WE DID!!

Is this my beginning or my end?

# Black History Week





Black History Week falls between February 11-15. During this time Mainland Senior is exposed to the history of Black Culture. Attention is focused on the contributions the black culture makes in government, literature, art, and civic progress. The Human Relations Council and the Buc Book Forum sponsored a program involving dancing, poetry, and singing.

# Boys' And Girls' State

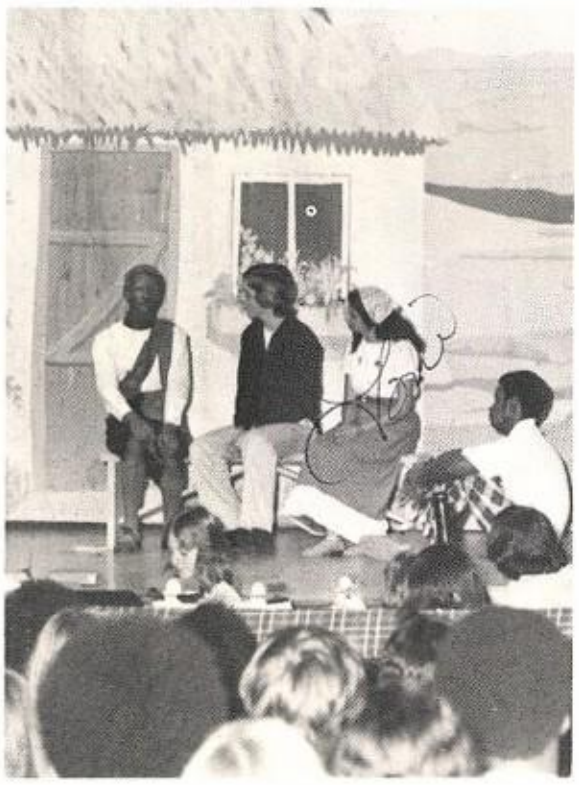
*Standing:* Lynn Thompson, Mark Gibson, Chuck Branson, Ken Scarlett. *Sitting:* Martha Pearson, Gail Myers.

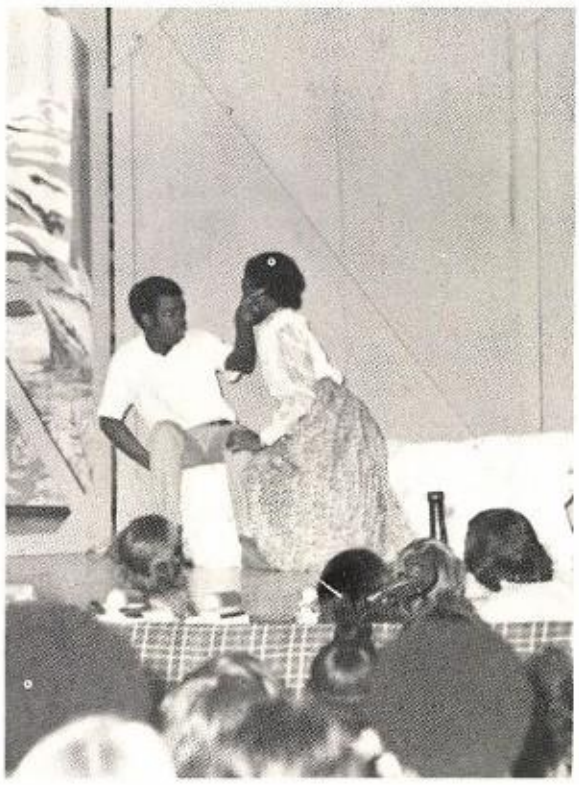
Boys' and Girls' State is an opportunity for selected students to participate in the Florida legislative processes. It is annually sponsored by all the American Legion Posts. Each contestant gives an oration from which the winners are chosen. They travel to Tallahassee and learn a great deal about the state government. It is actually a small and unified state government comprised of students.

*Musical*

# *Brigadoon*

This year's musical was "Brigadoon." As always the student body, faculty, and administrators worked to make this musical the best so far.

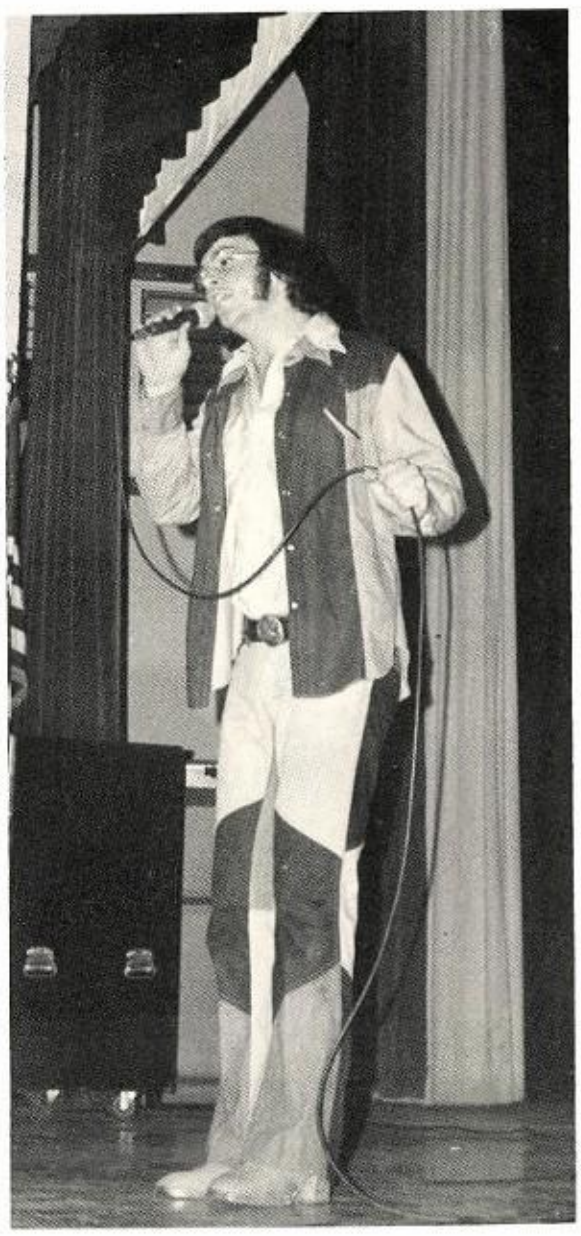


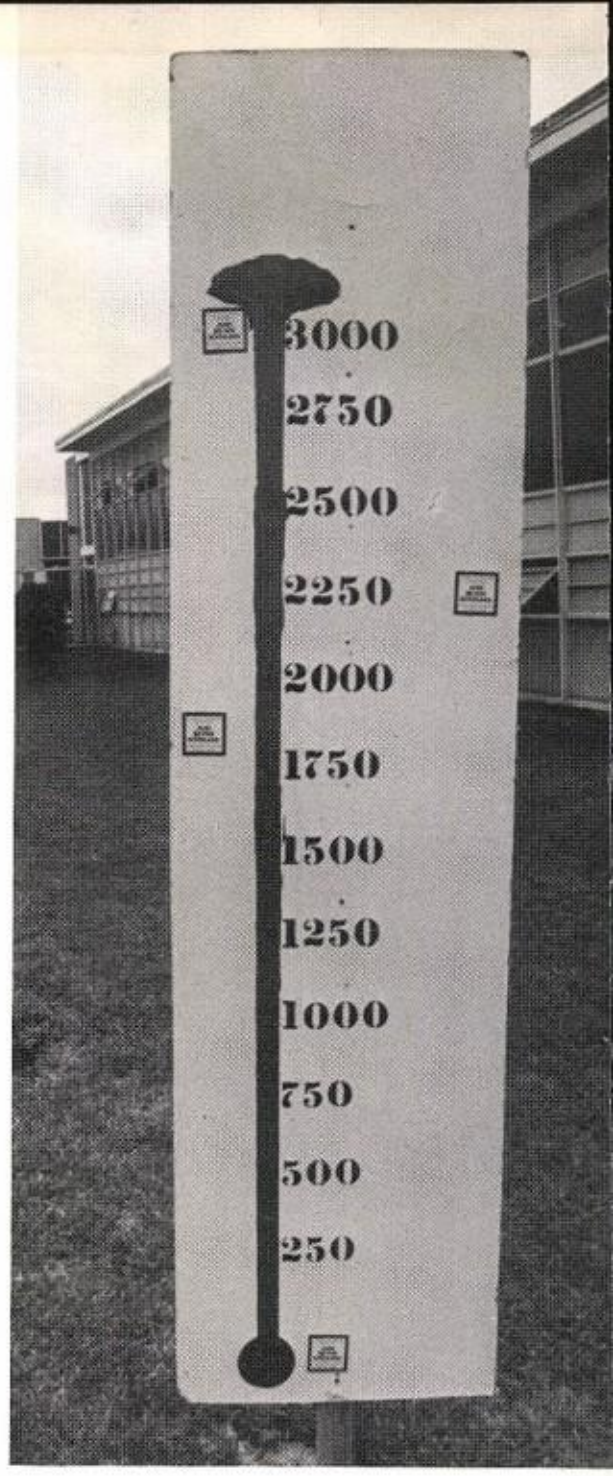


# Common Ground

This year Mainland was privileged to have the "Common Ground" come and entertain us. They managed to sing their way into the hearts of all of Mainland's student body. When the "Common Ground" left Mainland, they left every student with a smile on his lips and a laugh ever ready.

HAMMOND

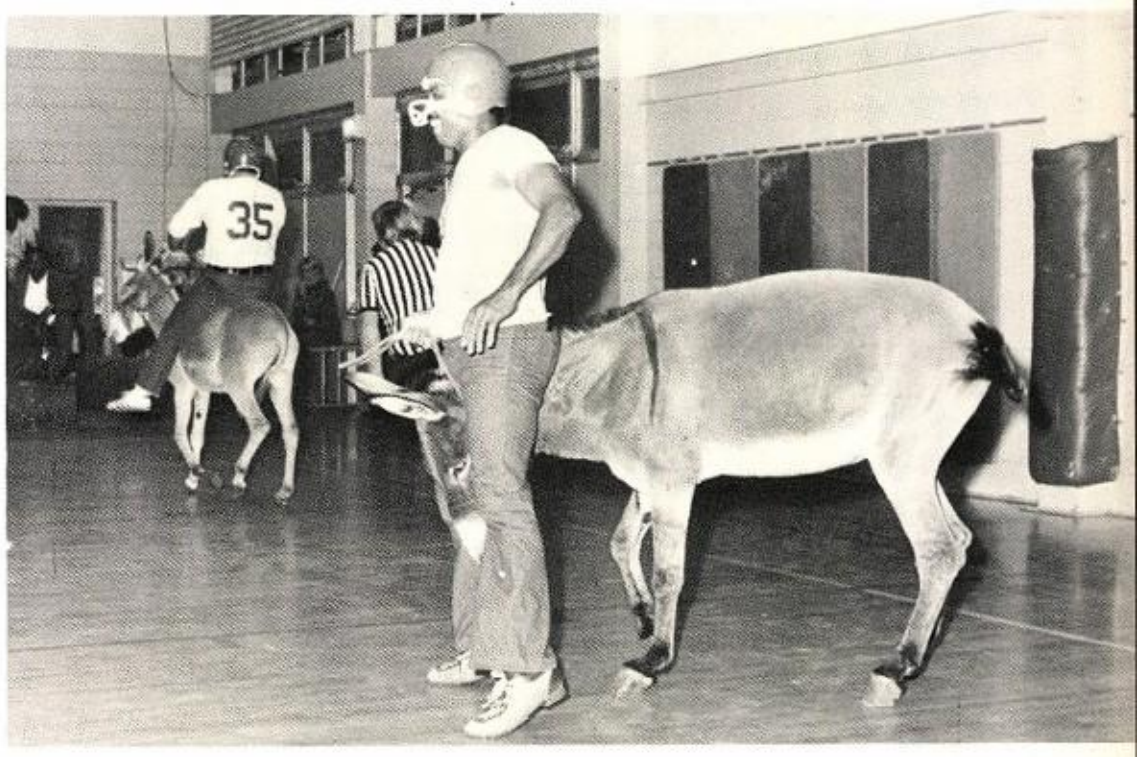




# Dollars For Scholars

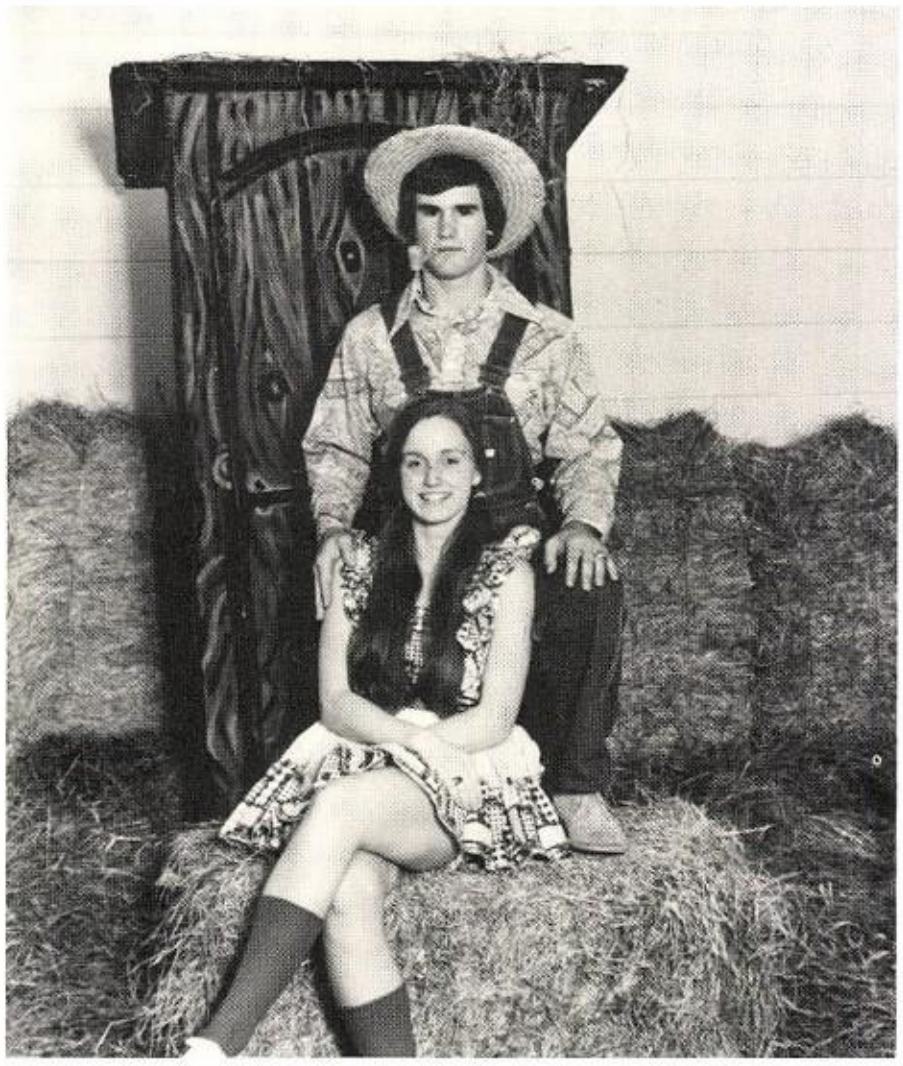
This year our Dollars for Scholars was very successful due to Mainland students' fantastic energy and participation. We collected way over our goal of three thousand dollars. As a result of this campaign, many Mainland students will receive benefits through scholarships.

# Donkey Basketball



Once a year the gym takes on a different appearance. It becomes a pastureland. The donkeys come to town! The donkey basketball game is sponsored by the DECA Club. As always, no matter who wins — the faculty or the students — everyone agrees that probably it is the donkeys that come out ahead!

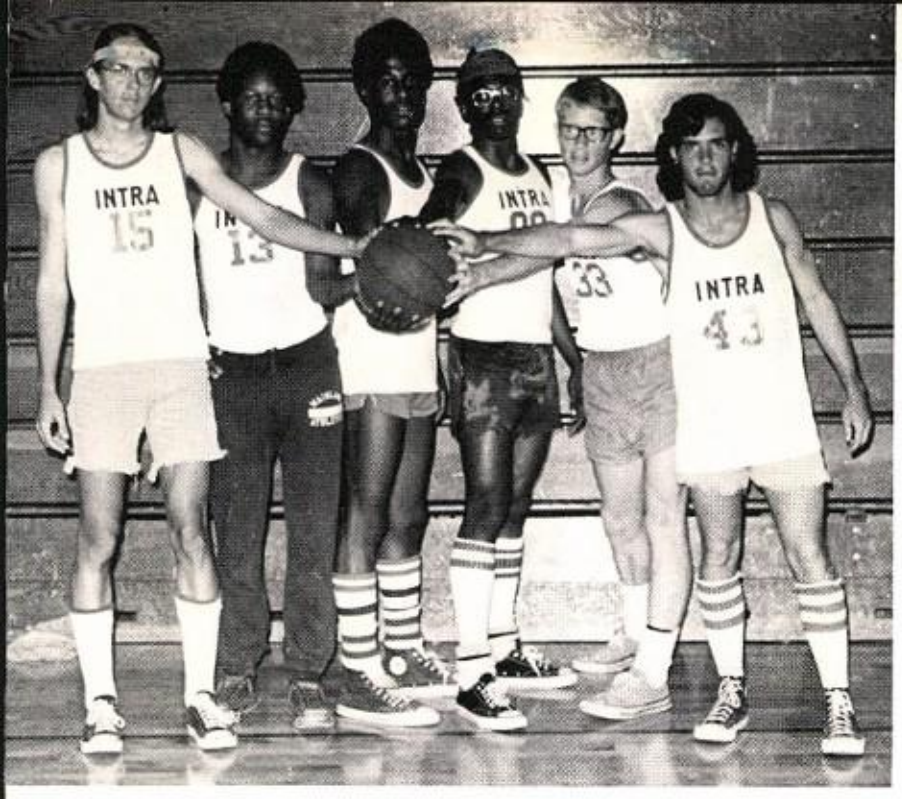
# Sadie Hawkins



# Watch Out Guys — Here Comes The Gals!

This year the Sadie Hawkins Dance was held in the cafeteria. The folks from Dogpatch came to town and helped make Sadie Hawkins a smashin' success. During the dance Mammy and Pappy Yoakum, Wolfgal, Lil' Abner and Daisey Mae were chosen from all the local yokels that showed up. Keyettes really did their job, and once again supplied Mainland with another great Sadie Hawkins dance.

# Intramural Basketball



**Intramural basketball is offered for those students who wish to participate and like the sport of basketball. The coaches are D. Hinson, F. Hinson and J. Ridgdill.**

# *Junior Class*

The Class of 1976 embodies the Spirit of '76. With over nine hundred members, the Junior Class is a busy and active group. Float-making, fund-raising, participation in all school activities, showing that great Buccaneer spirit on every occasion, representing Mainland with pride and proficiency and staging the greatest Junior Prom ever — all of these give some idea of the heart, meaning and attitude of the Junior Class — the Class of 1976.

CLASS OF

# Once A Buc — Always A Buc

# Sophomore Class

This, the upcoming graduating class of '77, have proved themselves to be loyal Buccaneers — by winning the spirit banner several times in pep rallies, by showing school enthusiasm in the anti-Seabreeze week, and by placing third in the Homecoming float competition. This class shows evidence of good leaders wanting to achieve great things with others ready and willing to back them up. Keep it up and you will look back and say what a great class '77, was.

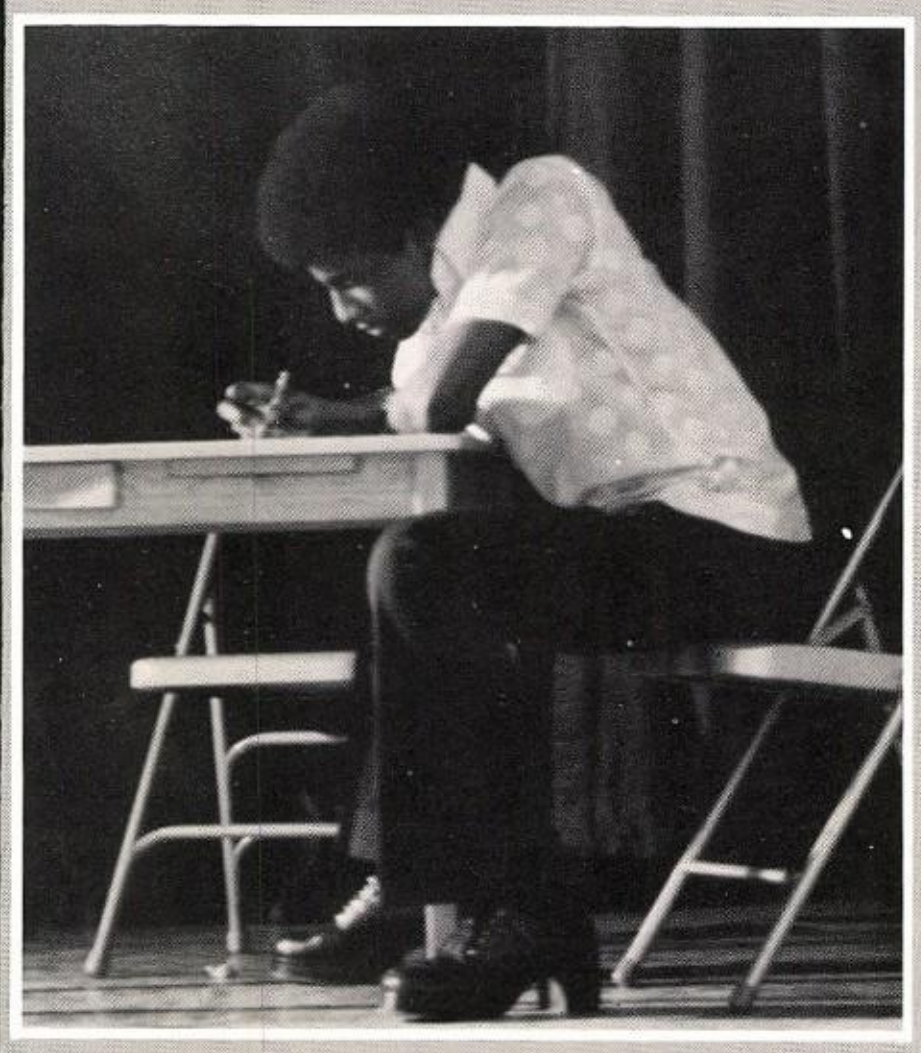
# Reflections Of Sophomore Year

MARYLAND
BUCS
BACK



# Organizations

Your 1975 BUCCANEER YEARBOOK is the product of dedicated photographers, artists, writers, typists, business managers, and journalists.

Steve, our official photographer, could be found at each game, in the midst of any crowd and in every corner of Daytona Beach. Division editors and assistants (Renee, Tina, Cindy, Joanne, Mary and Linda) suffered acute anxiety as their subjects failed to show for pictures. Sports section workers (John, Tony, and Connie) rounded up each team, and with more difficulty, each coach. Luann, Deanna and Anita wrought miracles with mountains of faculty and underclassman pictures, while Monica and Lori gathered and organized material for the SENIOR section.

Tom labored over ads, and Nancy over monies and lack of it.

Beth cried her way through the index and Marie, our EDITOR, over EVERY page as she poured herself into her job and drew layout after layout.

But more than any one person, our advisor, Mrs. Helms, worked and worried, met deadlines and celebrated with us when we were done. To her we owe more thanks than we could ever tell her.

All in all, it's been a year of sweat and tears, maybe even a little blood. Hope you enjoy YOUR YEARBOOK, for you will never pass this way again.

Perhaps one of the most important parts of any school sports event is the cheerleaders. The Mainland Varsity Football Team record was blemished by defeats, but the team finished with a demanding defeat over Seabreeze. The team was young and many losses were because of unfortunate luck.

Although the season record was not spectacular, they learned to play as a team with DISCIPLINE and TOGETHERNESS.

## District Champs '74-'75

The Mainland Varsity Basketball team, under the leadership of Coach Joe Piggotte, has completed the 17th straight winning season in the same great tradition with a season record of 21 wins and 4 losses.

Dedication, hard work and team play have been the keynotes that have kept the Buc machine rolling. This year's team was led by the speed and scoring of All-State candidate James Brown, the great jumping and rebounding of Bobby Burch, the board strength of Herb Giddens, the defensive ability of Tim Bradley, and the floor game of playmaker Joey Piggotte, all skillfully assisted by the efforts of Dan Harlacher, Tony Watson, and Lynn Thompson.

Coach Hingle talks it over.

The J.V. Basketball team had a great season with 20 wins and 4 losses. When the season began no one expected them to be a big winner, but the Bucs proved that hard work and unselfishness can make things happen. John Burch led the Bucs in scoring and rebounding. Earl Snead averaged double figures and led the team in recoveries and assists. Billy Johnson also scored in double figures. Robert Smith led the team in steals, and Beckton, McClairen and Murphy gave the team bench strength.

One of the highlights of the season was a 67 to 65 victory over Ocala Vanguard in the finals of the Christmas Tournament. Glen Davis, Earl Snead, and John Burch were named to the All-Tournament team.

The pitching staff was led by Ray West and John Hull who threw one no-hitter. This was an outstanding squad with a burning desire to win and to stick together in doing so.

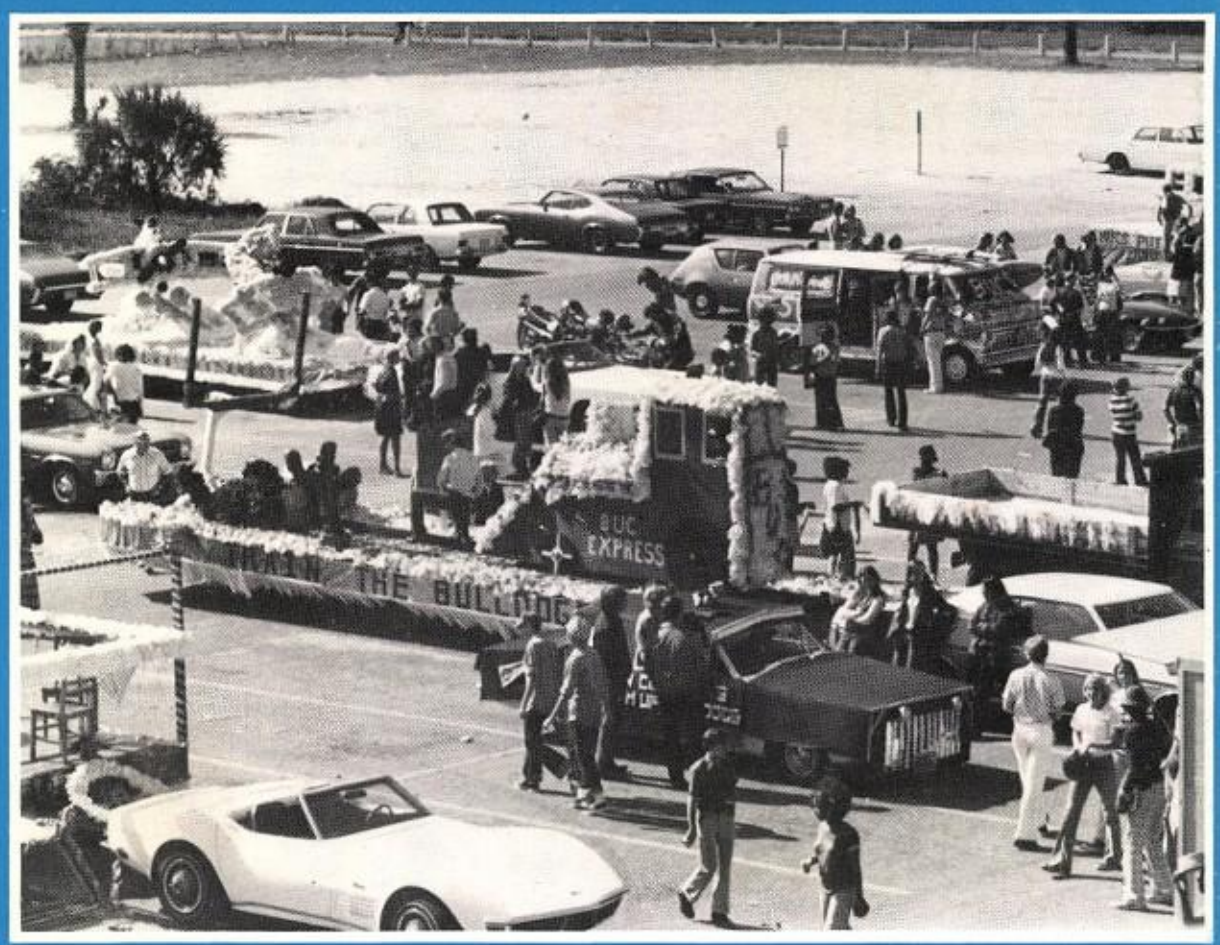
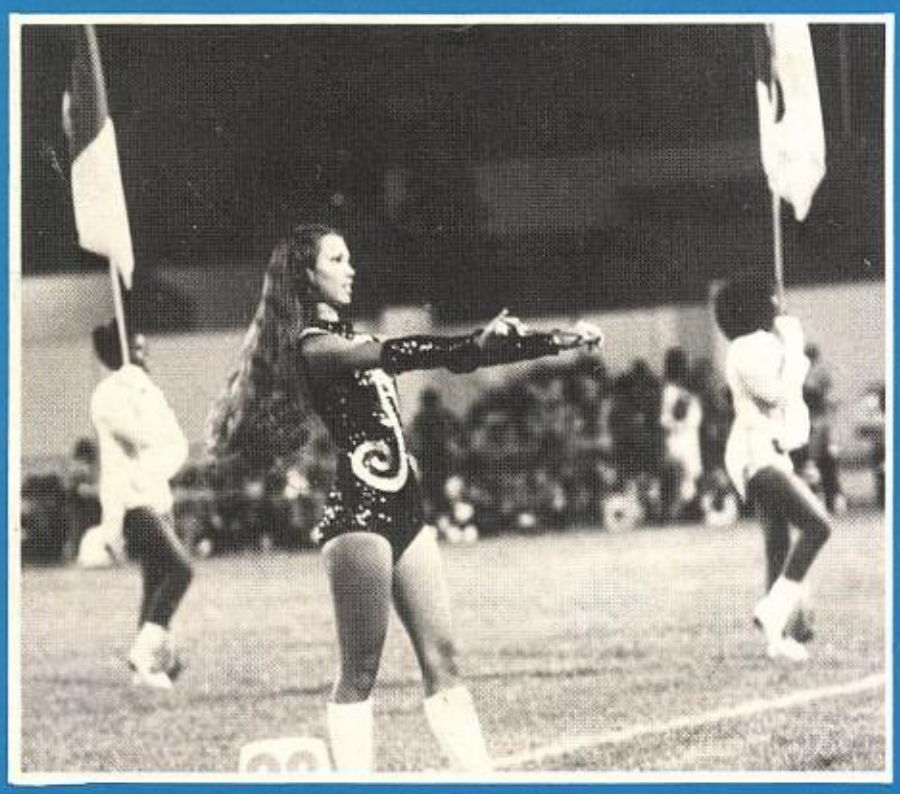
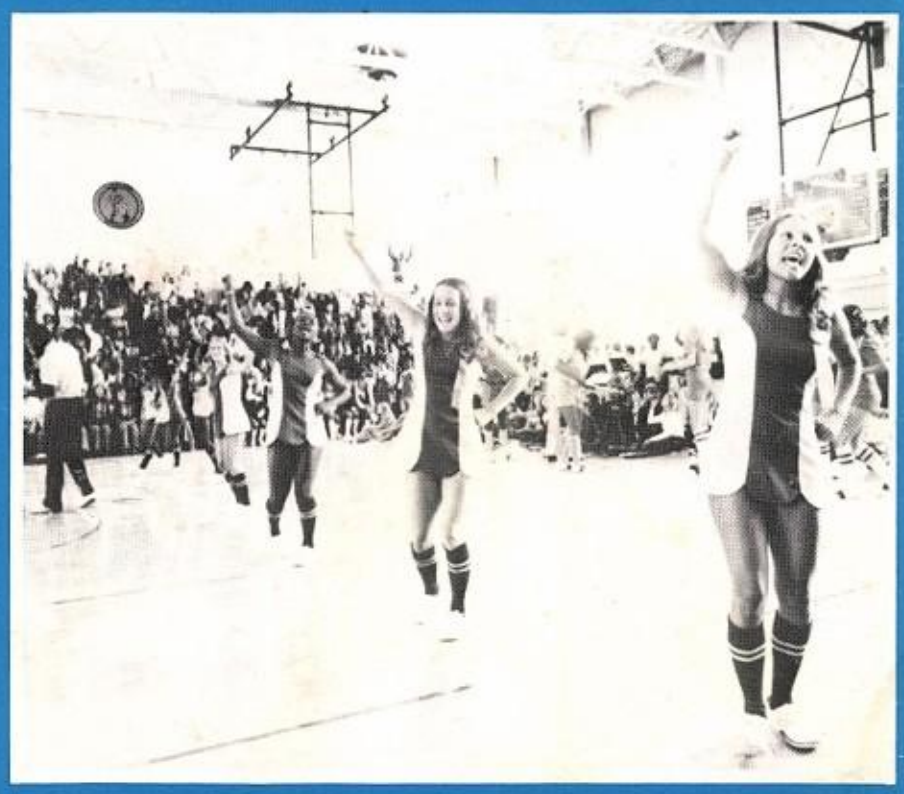
Life — so they say
Is but a game and they let it slip away.
Love — like the Autumn sun
Should be dying but it's only just begun.
Like the twilight in the road up ahead
They don't see just where we're goin'
And all the secrets in the universe
Whisper in our ears and all the years will come and go
And take us up always up.

We may never pass this way again.

Dreams — so they say
Are for the fools and they let them drift away
Peace — like the silent dove
Should be flyin' but it's only just begun.
Like Columbus in the olden days
We must gather all our courage —







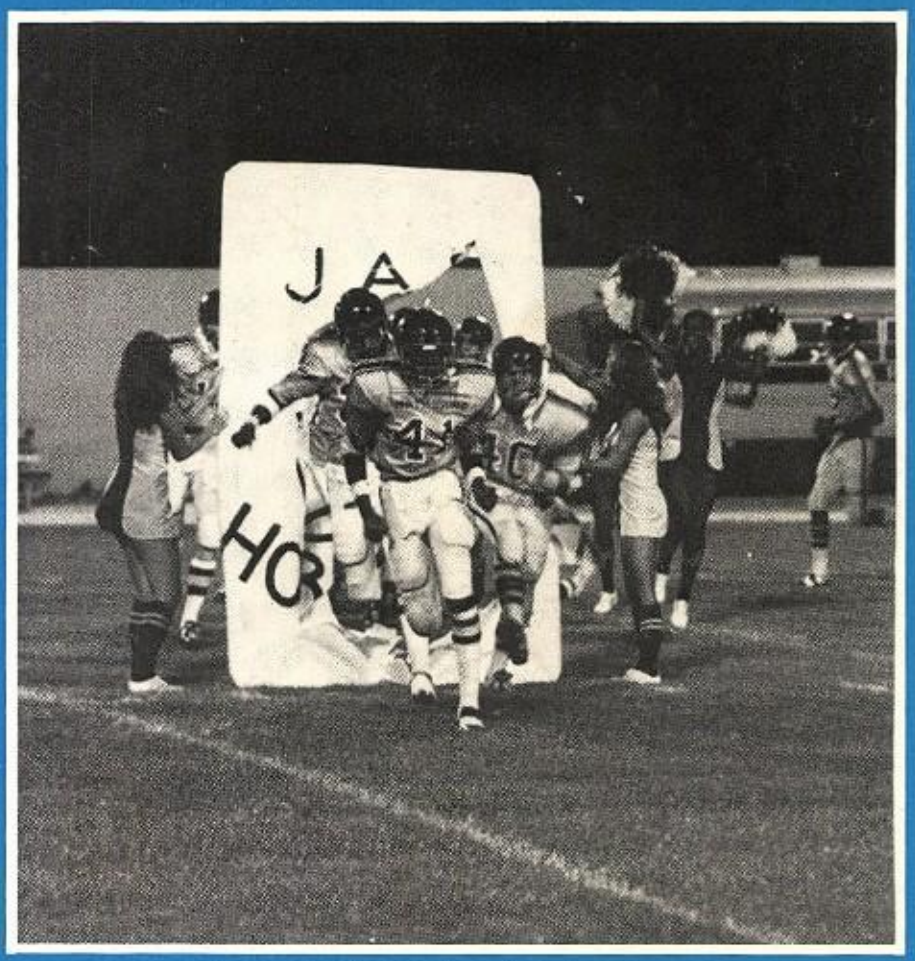
Sail our ships out on the open sea
Cast away our fears and all the years will come and go
And take us up always up.

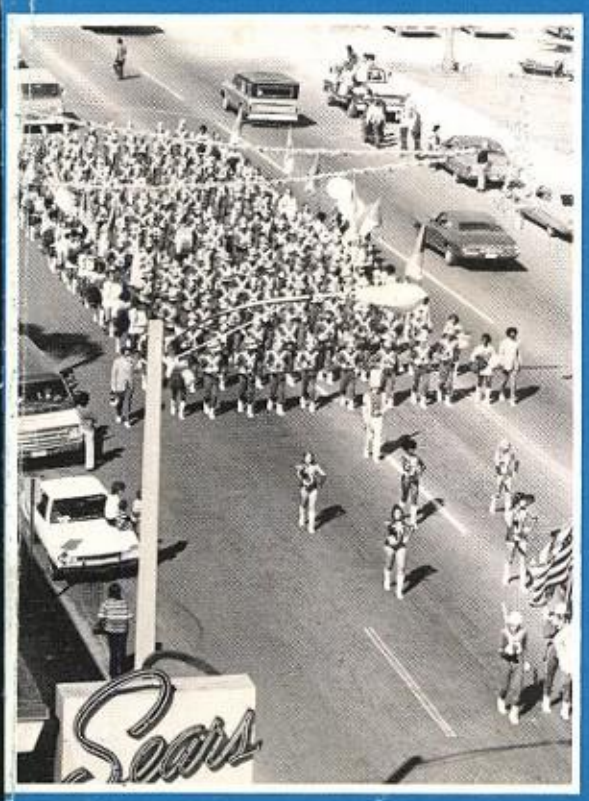
We may never pass this way again.

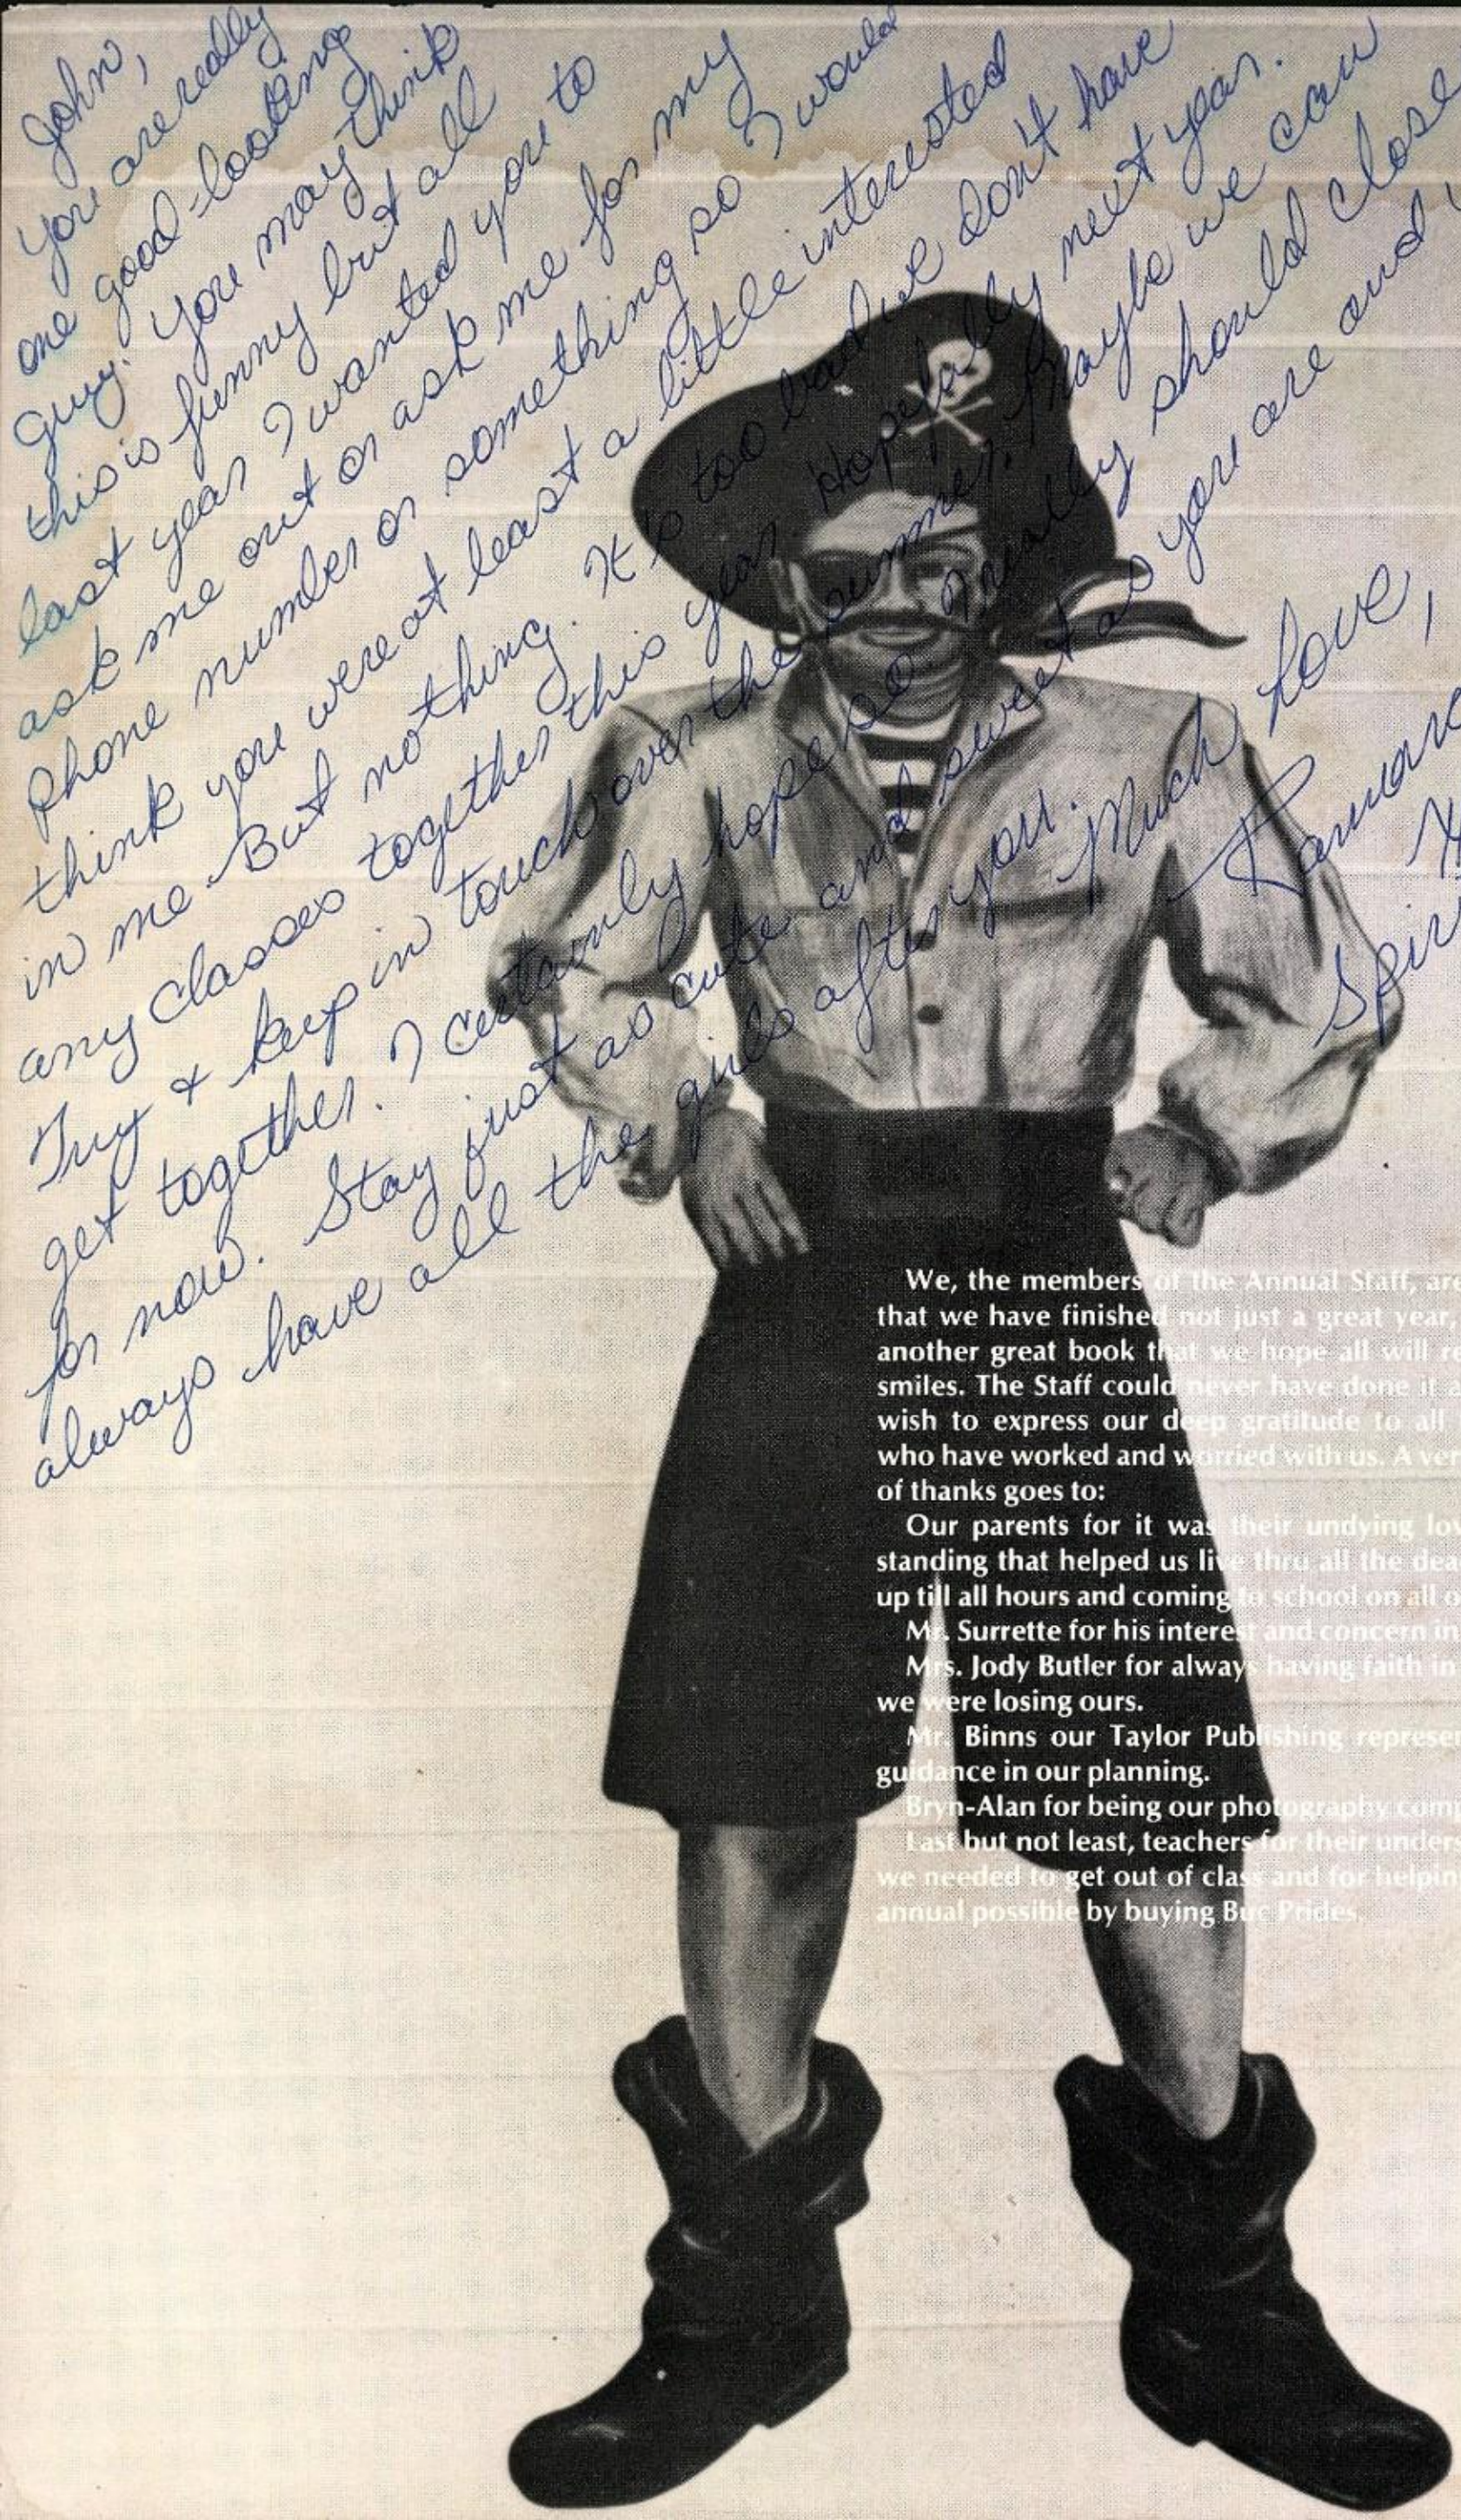
So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile.
I may never pass this way again —
That's why I want it with you.
Cause you make me feel like I'm more than a friend,
Like I'm the journey, and you're the journey's end.
I may never pass this way,
That's why I want it with you, baby.

We may never pass this way again.

Jim Seals and Dash Crofts







John,
You are really
one good-looking
guy. You may think
this is funny but all
last year I wanted you to
ask me out or ask me for my
phone number or something so I would
think you were at least a little interested
in me. But nothing. It's too late now
any classes together this year. Hope we can
try & keep in touch over the summer. Maybe we can
get together. I certainly hope so anyway. Sweet as you are and you'll
for now. Stay true as cute and sweet as you are and you'll
always have all the girls after you. Much love,
Tamara
Spirit of '76

We, the members of the Annual Staff, are proud to say that we have finished not just a great year, but hopefully another great book that we hope all will remember with smiles. The Staff could never have done it alone — so we wish to express our deep gratitude to all those persons who have worked and worried with us. A very special word of thanks goes to:

Our parents for it was their undying love and understanding that helped us live thru all the deadlines, staying up till all hours and coming to school on all our vacations.

Mr. Surrette for his interest and concern in all we did.

Mrs. Jody Butler for always having faith in us even when we were losing ours.

Mr. Binns our Taylor Publishing representative for his guidance in our planning.

Bryn-Alan for being our photography company.

Last but not least, teachers for their understanding when we needed to get out of class and for helping us make this annual possible by buying Buc Prides.

John,

All I can say is that it's been really fun knowing you these past two years. We had our good & bad points. John I'm sorry things didn't turn out right for you & me. I guess I really wasn't ready for that yet, I know I went about it wrong and I'm sorry. There's one thing that I really want to happen and that's for you and me to become really close friends. You probably wondering what brought us and everything. Well I don't know what it was. All I can say I'm sorry it happened. I was very immature then and I've grown up alot now. John I really think that we was meant to be friends and thats it. Well John I can't think of anything else to say, some love letter. I just wish a lot of luck, love, happiness in the coming years. John somewhere, someplace there's somebody waiting for you and I hope you find it if you haven't already. Just remember that I care alot and that you don't get mistreated in any way. Because if it's a girl I will attend with it. HA. HA. Just kidding. Just remember all the fun we had. Well John your getting impatient so I better go so you can read what I wrote. Just keep care of your-self. Good luck in the future, and my God stay with you.

P.S.
Remember me & keep in touch.

Love always,
Barbara

John,

Thank you for being my friend all these past few months. Don't forget all our fun(?) times in tennis and all those rides home! Stay the great person you are and maybe even some day you'll learn to type. Maybe someday we can get it together... someday!

Love,
Eric

To Robin Wood (John),

Keep the archery and all those other things and don't blow all your bread (money). Maybe I'll see after next year in Lone college or something

William Hayes

John,
Even though I didn't know ya too long you're a great kid. Good luck in the future and remember all those rides home!
Stay cool
